

# Oh the places you'll go... with Graphics!

The **Engineering Design Graphics Division (EDGD)** of **ASEE** invites authors to submit papers for presentation at the **72<sup>nd</sup> Midyear Conference** in **Montego Bay, Jamaica**. The Division welcomes relevant submissions from all engineering disciplines.

## Topics of interest to EDGD include but are not limited to:

- 3D modeling in engineering design
- Course content and tools
- Curriculum development in graphics education
- Diversity in Engineering Graphics Education
- Graphics in an international context
- Innovative teaching and learning strategies
- Innovative technology
- Learning outcomes and assessment in graphics education
- Product lifecycle management
- Simulation and analysis software dependence on geometric models
- Teaching design intent
- Teaching simulation and analysis software at different levels
- Trends in graphics
- Virtual/augmented reality
- Visualization

Submit a 150-300 word abstract electronically by **July 14, 2017** (5 pm EDT) to:

<https://easychair.org/conferences/?conf=edgd2018>

For additional information, please contact the Engineering Design Graphics Division 72<sup>nd</sup> midyear co-program chairs —
