EAGLE FLIGHT TEAM SWEEPS REGIONALS

By A. G. Bowman
Avion Staff Writer

Our E-RAU Flight Team swept the windows of the Eastern Region Naval Command Interscholastic Flying Association meet held at Stetson University, Lakeland, on November 18 and 19. In addition to the number of awards listed below, the Eagles swept the Meet of the Fourth consecutive year.

Without gain or loss, during this conclusive meeting, our award accomplishments can truly be labeled a sweep. The Eagles placed no lower than second in the Florida Interscholastic with 93, Florida Institute of Technology, Georgia Tech followed in the next two places.

In conclusion to the meet, the team scored over 100 second in safety. Tom Reres was the Safety Representative. Tom Reres and Bob Grabowski scored second and third in Top Pilot honors. In the pre-meet competition events, Tom Reres finished first in the Pull-off contest, while Bob Grabowski placed third. Bob Grabowski placed near tenth in the Sweepstakes, second and third respectively. Upon completing the Pull-off Accuracy Landing with Grabowski right behind on the fourth spot. In the Tower Dr.

Your cooperation is desired in keeping the circle open at all times in the presence of the University Center. Parking will be parallel in the closed line and limited to 10 minutes.

Beginning November 19, 1976, and until further notice, two traffic lanes will be on the ramp or entry area of the G.R.W. Building.

All residents are reminded to keep to the right, to keep traffic moving and to allow these traffic lines to operate smoothly.

Your cooperation is requested to keep traffic flowing smoothly and to allow the smooth flow of traffic.

This area is not for the use of student parking.

A meeting of approximately 50 persons from the administration, airlines, and other interested parties was held at the Regional Airport on November 18 for the purpose of planning the "World's Largest Hangar Sale" to be held on November 9 at 10:30 a.m. at the Regional Airport.
The SGA election was a major event for the student body, which is involved in the political process. The candidates ran on platforms that addressed issues such as academic policies, tuition costs, and campus safety. The election results were announced on the evening of the last day of the campaign, and the winning candidates were given a platform to address the student body.

The SGA election was a significant event for the student body, as it allowed them to express their opinions and preferences. The candidates were required to campaign for their positions, and the student body had the opportunity to vote for the candidate of their choice. Dear Editor,

I was interested in the concept of having a bulletin board for all activities so as to help students find the traffic coming in and out of the university. The bulletin board should be located in the student center, where students can see all the activities happening on campus.

Some of the activities that could be advertised on the bulletin board include sports games, music concerts, and social events. This would be especially helpful for students who are new to the university and may not be familiar with all the activities available.

I think it would be a great idea to have a volunteer coordinator who can take charge of the bulletin board and ensure that all information is up to date. This person could also be responsible for ensuring that the bulletin board is located in a high-traffic area so that students can easily access it.

I hope you will consider this idea and implement it in the near future.

Sincerely,
[Your Name]
**RIDDLE PACKERS**

Actually we did win, you really didn't! We played UNI for the best 2 out of 3 games, the first game we lost, but our second win was really a close one. We'll keep an eye on the game and get warmed up and started to make a major comeback, but it didn't help. We changed sides for the second game, and won. After watching this side.smile, we club that the third game and lost in appearance.

The Packers scored their first and third games, and won second in the second game. That means the same was the first to score the goal. That means in the future, the Packers should always let the opening game start. Then we'll win every game!

**EMBRY-RIDDLE SKYDIVERS**

There were more of Riddle Skydivers making the best few weeks. The deep snow kept away with club members wanting to keep as fast as rigid could be packed. Our club's demonstration team also takes a few more weeks to say this time into the bridal housewarming season. The party was supposed to take place at last, but because of a misunderstanding with ATP (air traffic control) the divers weren't able to make their jumps until the last minute. The team would like to recover their sincere apology to Linda, the team, who, besides, also may have been intimidated or the national performance. The team members were: Bill Berry, Andy Kuykendall, Doug Jones, and Bob Caballero. The team also congratulated the team on the time housewarming victory.

Well, we have finally come to the end of the year and we'd like to thank all of you for your help in bringing about our recognition as a club on campus. We are the SC's! A lot of people know us as "Sigma Chi". Due to tremendous votes, we have had to change our name in order to become a recognized club. What are we? We're a group of guys that didn't want to drop out money to join a fraternity, but wanted to get together with others to have a good time. We're the ultimate social group.

Sat. night, we plan to take a trip off to a beach house. We're going to be staying at the beach house for the weekend. The beach house is really a nice house to be in, really a nice place to party in. Also, you can stay in the beach house for the weekend, the beach house is really a nice place to party in.

This weekend turned out to be quite a weekend for Delta Chi. After Sunday's driving rain and heavy winds, the skies cleared up for the Tuesday meet. It was a warm sunny day as the Delta Chi and Kappa Lambda teams faced off in a friendly game of soccer. The Delta Chi team won the match 2-0, with goals scored by Will Thomas and James Park.

The Thursday night event was a frater's party at the home of Scott and Emily. The theme was "The Best of the West," and the guests were encouraged to dress in Western attire. The party featured a barbeque with hamburgers, hot dogs, and homemade chili. Music was provided by DJ John Smith, and guests danced the night away under the stars.

Friday night, Delta Chi hosted Delta Lambda in a friendly game of basketball. The Delta Chi team won with a final score of 80-60. The game was well attended, with many alumni and students in attendance.

The weekend concluded with a weekend to relax and enjoy the warm weather. The Delta Chi members spent time with family and friends, and some even took advantage of the warm weather by going out for a run or a bike ride.

Throughout the weekend, the Delta Chi members made the most of their time, enjoying good food, great friends, and friendly competition. Even though the weather was not always ideal, the Delta Chi members made the best of it and had a great weekend.

Tuesday afternoon, in the Robert C. Englebert Soccer Field, the Eagles and the Stetson team tied 1-0. No one scored during the first 10 minutes, and then Stetson took the lead, people started getting injured, and we couldn't find a way to get on the field. A batting cage was moved, and the ambulance arrived, and people were getting hurt, and the ambulance couldn't get on the field. After going out on the car, the ambulance went on its way to the hospital.

Some kind of air cast was wrapped around the victim's leg. No one was injured. A gismo on the patient's leg. The ambulance couldn't get on the field. A team's Gatorade was put on the ground, while ever and Stetson's guy remained with these situations, and people started getting hurt. SITTLNG TO SLEEP: Have you been experimented, arranging to get to your assigned job on time on your head, whether you eat in a fast food diner or on the way, or, if you're lucky, in the school cafeteria. As the sun goes down, the clock is ticking faster, every minute counting as a lost opportunity. Here are a few tips to help you get a good night's sleep:

1. Set aside a specific time for going to bed. This will help your body understand that it's time to rest.
2. Create a relaxing routine before bedtime, such as reading or taking a warm bath.
3. Make your bedroom a place for sleep only. Avoid using it for activities like watching TV or working from home.
4. Use comfortable bedding and maintain a cool, quiet, and dark bedroom.
5. Avoid caffeine and alcohol in the evening.
