WOMEN in AVIATION DAY

Collage Requirements

Once again we will be holding a collage contest! We are asking each school to pick the top 3 collages from their class and submit them to our office by Thursday, March 9, 2017. We ask that teachers encourage each student to do a collage. The collages will be voted on by Embry-Riddle University students, faculty and staff. The top three collage winners will be announced and a prize awarded during the event.

The collage should reflect the answer to the question, “What S.T.E.M. careers interest you?”

The requirement of the collage are:

- must be on 12” x 12” cardstock paper
- the student’s name, school, and teacher’s name should be written neatly on the back
- students are encouraged to be creative
- collages **MUST BE** school appropriate
