

NOTICE: Also available a \$236 rate found online as an *advance purchase rate (non-refundable) for IHG members only*. Please inform Norman Loney (normanwloney@gmail.com) if you book using the IHG rate to insure that the EDGD block will be credited.

Suggestion: If someone books at the above *advance purchase rate*, out of the block, because s/he wants the lower rate, and is **comfortable with a non-refundable rate and is an IHG member**, based on our contract, the block should be credited.
