The image shows a detailed campus map with various buildings and fields labeled with numbers. A red arrow points from the table entry for building 618 to its location on the map. The map includes roads like 'NUT SPEEDWAY BLVD W', 'COURT ST', 'HOWARD ST', 'CLYDE MORRIS BLVD E', and 'ALCHORNE BLVD'. Buildings are color-coded, and some are marked as 'Construction'.

Student Drivers:

Three vans are available to pick up on Sunday at ICI parking lot. Please park your cars close to Lehman building before 3 pm. Once the van is fully loaded, please leave immediately. The first van need come back to pick up the rest attendances.

After tour 1, two vans will continue picking up the visitors to tour 2. One van needs to pick up and drop off the visitors back to Lehman building, and pick up the visitors for Tour 2 ONLY to Eagle Flight Research Center.

After Tour 2, three vans will be available to transport from Eagle Flight Research Center to Lehman Building front door.

After the tours, please drive to the Shores hotel to pick up the attendees to Welcome Center for reception (two rounds). Please park your vans at ICI parking spaces after all done.
