ERAU Prescott Aviation History Program

Building a Wright Flyer – by Committee.

by Prof Fred E.C. Culick

Hear the story of the earliest aircraft from 1895 to 1908 and how the Wright Brothers successfully built the first airplane but couldn't build the second one! Prof Culick, an author, engineer and aviation historian, was involved in building the first full-scale replica of the *Wright Flyer* and reveals the fascinating details behind this remarkable flying machine.

Embry-Riddle Aeronautical University
Davis Learning Center (DLC) Auditorium
Prescott, Arizona

Wednesday, 8 February 2012
7:00 – 8:00 p.m.
