***“On the inside of SpaceShipOne”***

by Dan Linehan

Hear the inside story of the development, testing and flight of the world's first privately built and piloted manned spacecraft by the author of *“SpaceShip One” An Illustrated History*. Exciting photos, videos and animations will help explain how and why all this took place.

**Embry-Riddle Aeronautical University  
Davis Learning Center (DLC) Auditorium  
Prescott, Arizona**

**Wednesday, February 11, 2009  
7:00 – 8:00 p.m.**

**FREE**, everyone welcome! For more information contact:
