Re: ATTACHED WIRE

Dear Bud:

I thought possibly you might be interested in discussing the possibility of tying this recruit service in with the DAL-LAS-DAL Hacienda tour package and using Standard Airways with a Connie instead of a Hacienda flight operation. In this event we would probably eliminate the Burbank stop and try to use SFO instead of OAK. I can envision an operation of this type being successful if well coordinated and pax separated from Hotel paxs by curtains or partitions.

Thought you might like to discuss this idea with IAA and Nate Swidler and Bayley.
