Dear Bud:

I do not seem to have received a reply to my letter of April 30th. I note from the press, however, that you have had additional problems which I trust did not work too great a financial hardship on you.

Bud, I am interested in a cattle development program in Ecuador and am leaving for Quito Thursday where I will be required to purchase certain livestock under a contract I have with the Ecuadorian Government. I am quite anxious to resolve this matter of fees with you and I had hoped that you would suggest some amount. Inasmuch as I will be required to make a substantial purchase of cattle in Ecuador next week in connection with my contract, I would be willing to compromise the matter of fees with you for the sum of \$3,500.00, if this sum of money could be made available to me in Ecuador within the next two weeks. I am sure that you can appreciate that this sum would hardly compensate for my time alone for, frankly, I have been out of my office on this matter for almost four work weeks.

I will be at the Quito Hotel until Tuesday of next week. If you would be good enough to write me at the Quito Hotel as to whether or not this arrangement will meet with your approval, I would appreciate it very much. The mail service from the States requires three days and I should like to hear from you not later than Tuesday if it is at all possible.

With kindest personal regards and best wishes, I remain

Sincerely yours,

R.K.
