Dear Ralph : Or both, You & Dick, if Dick is there...

Last nite Stan called,, he is strongly in favor of suit... Said he had been fishing and had been unable to reach Hardy... Said also he would be agreeable to adjustment in the long term suit money for Hardy so that thoses who stand to collect the most put up more now...

T Roy Briten is on a 8 day hunting trip.

Blatz, Bodwell, & Atkins dont know which way to turn without the direction of Dick....

I doubt any can put up the \$300.00 filing fee...but they should go along on the \$25.00 per month to the H.R.8813 amendment.....

Caroline said she had talked to Dick in Miami, so dont know where he is now...

I have today sent \$25.00 to Hardy....others will when they are told to.

Soooo, I am all rested up from the trip, but without Dick, nothing gets done on this end.... I dont want to cross Dick by asking or telling anyone what to do...

If I can help, let me know....

Bud...
