

2024 Open Education Showcase

Thank you to everyone helping make education more accessible and equitable for all our students!

ERAU OPEN EDUCATION WEEK

Textbook Affordability Initiative Goals

Foster Student Success

By eliminating financial burdens that keep students from purchasing textbooks or making major sacrifices to buy textbooks.

Increase equitable access

By ensuring all students have access to materials when needed, regardless of means, and facilitating faculty use of affordable options.

Educate about OER

Increase and encourage faculty awareness, understanding, and confidence in using Open Educational Resources.

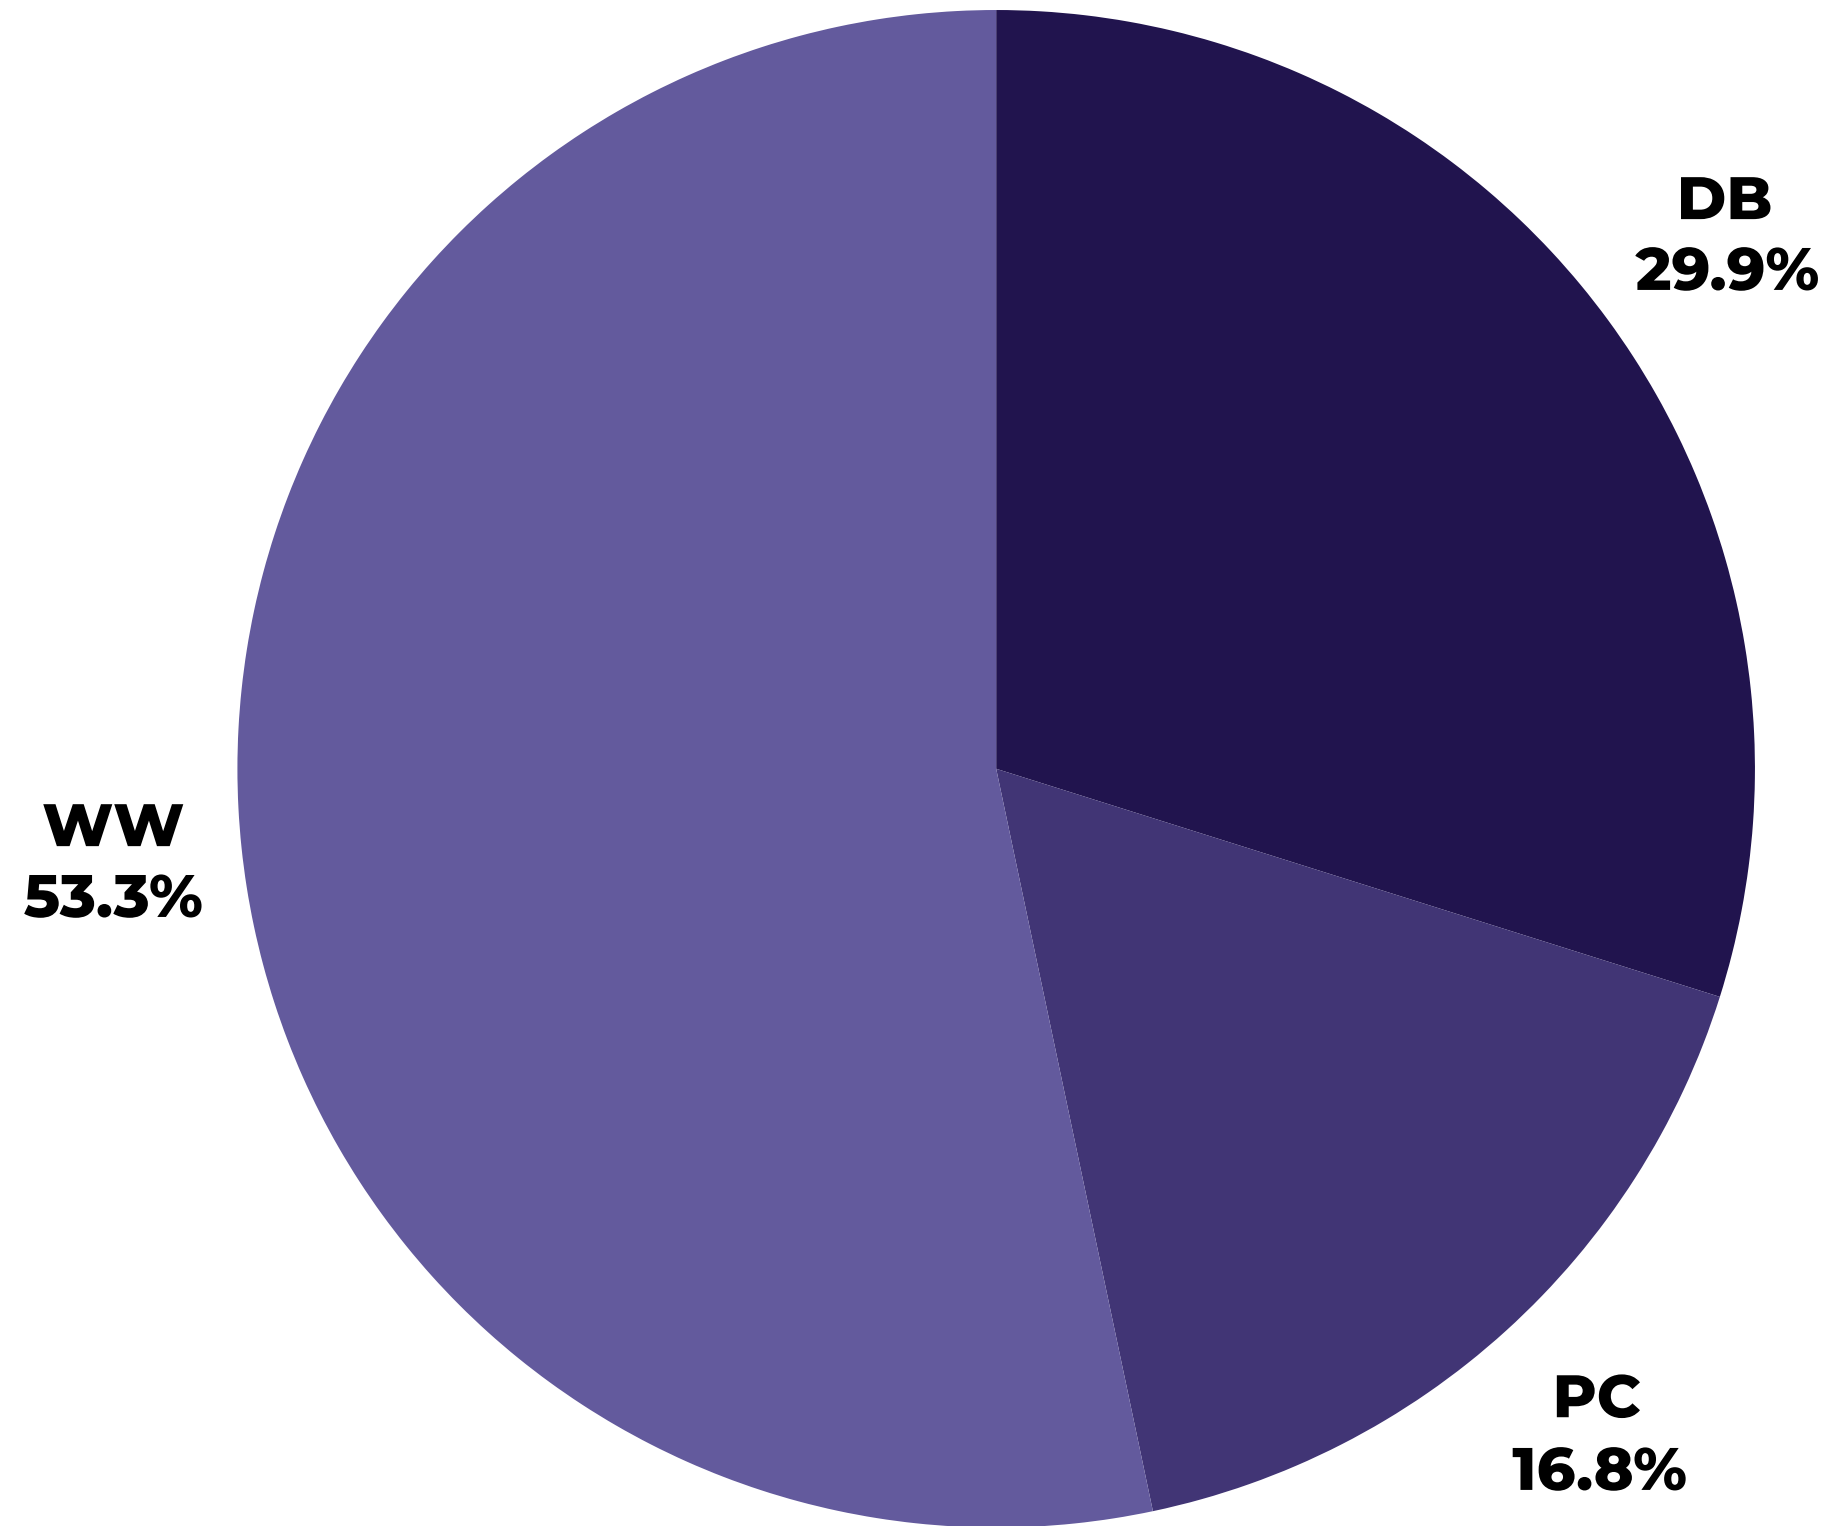

Publish and Share OER

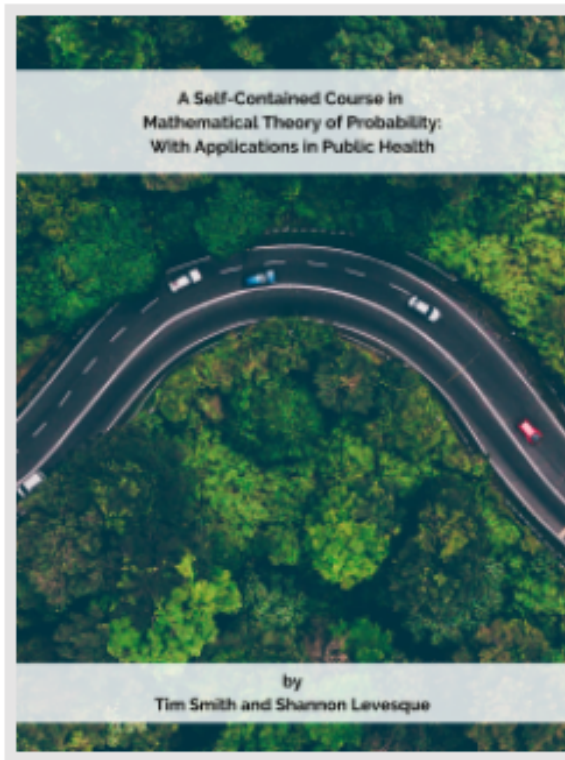

Increase the visibility and impact of our faculty as experts and effective educators in their fields.

Grand Total Savings

\$3,318,985

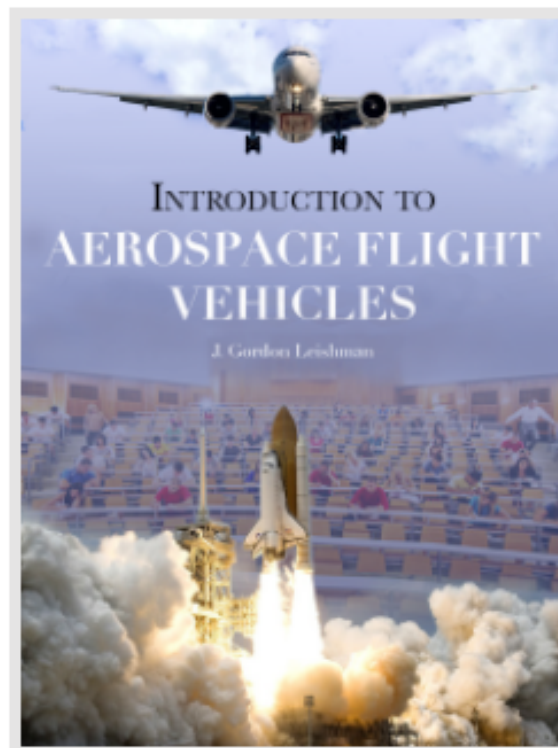

**A Self-Contained Course in
Mathematical Theory of
Probability**
Tim Smith
Shannon Levesque

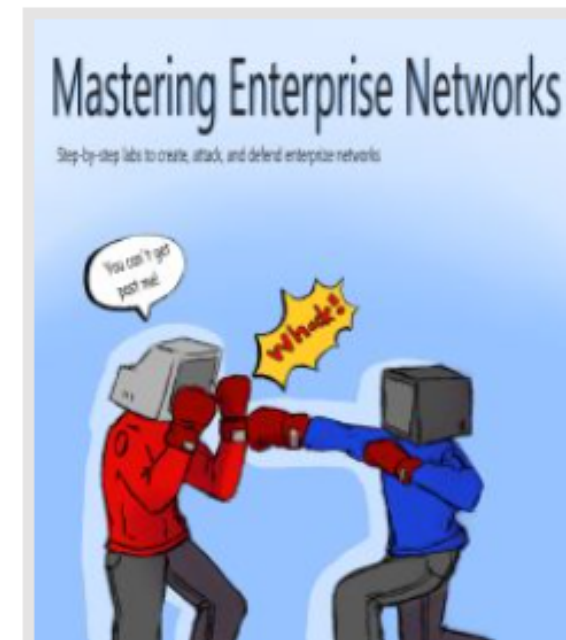

Corporate Finance
