FIGHTER PILOTS SHOOT THE BREEZE

As the weather warmed up in the Midwest, fighter pilots from the 1st and 2nd Fighter Groups, 4th Fighter Wing, 11th Air Force, took a break from their training to enjoy the summer breeze. The pilots, who are based at Wright-Patterson Air Force Base, were seen in various poses, some in flight suits and others in civilian clothes, as they gathered for a group photo.
