Subscription Information

The Journal of Digital Forensics, Security and Law (JDFSL) is a publication of the Association of Digital Forensics, Security and Law (ADFSL). The Journal is published on a non-profit basis. In the spirit of the JDFSL mission, individual subscriptions are discounted. However, we do encourage you to recommend the journal to your library for wider dissemination.

The journal is published in both print and electronic form under the following ISSN's:

ISSN: 1558-7215 (print)

ISSN: 1558-7223 (online)

Subscription rates for the journal are as follows:

Institutional - Print & Online: \$500 (4 issues)

Individual - Print & Online: \$80 (4 issues)

Individual - Online only: \$25 (4 issues)

Subscription requests may be made to the ADFSLS.

The offices of the Association of Digital Forensics, Security and Law (ADFSL) are at the following address:

Announcements and Upcoming Events

4th Australian Digital Forensics Conference 2006 (ADFC2006)

(Submit Full Papers by 1st October, 2006)

ADFC2006 will be held Monday, December 4th, 2006 at Edith Cowan University, Perth, Western Australia. The aim of ADFC 2006 is to bring together IT managers, system and network admins, security specialists, academics, security solutions vendors, practitioners and anyone interested in digital forensics its role and application. The focus theme this year is "Going Mobile" examining the emerging area of mobile device forensics.

ADFC2006 is concurrently running with 4th Australian Information Security Management and 7th Australian Information Warfare & Security Conference. For more detailed information regarding submissions requirements and conference details, please visit the website at <http://scissec.scis.ecu.edu.au/conferences2006/> or contact Conference Chair - Craig Valli c.valli@ecu.edu.au.

ICIW 2007 - 2nd International Conference on i-Warfare and Security **Naval Postgraduate School, Monterey, California USA** **8-9 March 2007**

The program committee for the conference invites academics, practitioners and consultants involved in the study, management, development and implementation of systems and concepts related to information warfare and IS security to come together and exchange ideas. Alongside the main conference, there are mini tracks on malicious intelligence, human and social aspects of i-Warfare and can technology help. The call for papers and registration details can be found on the conference website.

A 10% discount on attendance is available to JDFSL readers (minimum charge of \$350). Enter IWJDFSL10 in the discount code box on the online registration form.
