Announcements and Upcoming Events

6th Australian Digital Forensics Conference 2008 (ADFC2008)

ADFC2008 will be held Monday, December 1st, 2008 at Edith Cowan University, Mount Lawley, Western Australia. The aim of ADFC 2008 is to bring together IT managers, system and network administrators, security specialists, academics, security solutions vendors, practitioners and anyone interested in:

- Computer forensics its role and application
- Techniques in detecting, responding and investigating computer and related security incidents
- Sharing their views, experiences and knowledge with those involved in the computer forensic field

All papers must be submitted via the conference website. For more detailed information regarding submissions requirements, please visit the website at

<http://scissec.scis.ecu.edu.au/conferences2008>

The 6th Australian Digital Forensics Conference will be run in conjunction with 9th Australian Information Warfare and Security, and the 6th Australian Information Security Management Conference jointly from 1st - 3rd December, 2008 at ECU in Perth, Western Australia.
