DIGITAL EVIDENCE

The Cyril H. Wecht Institute of Forensic Science and Law's 9th Annual Conference:
A National Symposium on the Collection, Analysis and Legal Applications of Digital Evidence

Save the date

Oct. 23 and 24, 2009

As more information becomes available, we will contact you at this address.

If you wish to add a different email address, or if this message was forwarded to you and you would like to continue receiving information, please email us at:

digitalevidence@duq.edu

To be held at the Duquesne Union Ballroom and Power Center Ballroom, Duquesne University

Featuring presentations and hands-on workshops regarding the collection, analysis and legal applications of digital evidence by:

- digital forensic examiners
- law enforcement officers
- criminal attorneys

This two-day program is intended to offer both practical training to crime scene investigators and laboratory analysts, and a broad grounding in the recognition and prevention of cyber-crime to computer and Internet users, parents and teachers.
