Guide for Submission of Manuscripts

Manuscripts should be submitted through the *JDFSL* online system in Word format using the following link: [http://www.jdfsl.org/for-authors](http://www.jdfsl.org/for-authors). If the paper has been presented previously at a conference or other professional meeting, this fact, the date, and the sponsoring organization should be given in a footnote on the first page. Articles published in or under consideration for other journals should not be submitted. Enhanced versions of book chapters can be considered. Authors need to seek permission from the book publishers for such publications. Papers awaiting presentation or already presented at conferences must be significantly revised (ideally, taking advantage of feedback received at the conference) in order to receive any consideration. Funding sources should be acknowledged in the *Acknowledgements* section.

The copyright of all material published in *JDFSL* is held by the Association of Digital Forensics, Security and Law (ADFSL). The author must complete and return the copyright agreement before publication. The copyright agreement may be found at [http://www.jdfsl.org/for-authors](http://www.jdfsl.org/for-authors).

Additional information regarding the format of submissions may be found on the *JDFSL* Web site at [http://www.jdfsl.org/for-authors](http://www.jdfsl.org/for-authors).

FROM THE EDITOR-IN-CHIEF

Welcome to *JDFSL*’s first issue for 2016! I would like to thank our editorial board, reviewers, and the *JDFSL* team for bringing this issue to life.

Beginning with this issue, the Journal formally becomes affiliated with Embry-Riddle Aeronautical University (ERAU). We have now merged our current systems into their IT supported systems through the ERAU Scholarly Commons portal. ERAU Scholarly Commons currently hosts 2 open access journals and utilizes the Digital Commons Bepress Repository. For more information, see the following:

- Scholarly Commons: [http://commons.erau.edu/](http://commons.erau.edu/)

We hope to continue to improve the *JDFSL*, and are very happy to begin the year with a strong *JDFSL* issue and our partnership with Embry-Riddle Aeronautical University.
