S.A. Office Compiles New Organization Booklet

In the fall of every year, the S.A. office is bombarded with applications from new and returning groups seeking information on the E.R.A.A. and its organization. The purpose of the booklet is to help these groups understand the workings of the E.R.A.A. and the process of obtaining membership.

To start with, the members are divided into three categories: groups, committees, and individual members. Each group has its own unique characteristics, and the booklet provides a detailed explanation of each category. The booklet also includes information on the roles and responsibilities of each member, which is essential for anyone looking to join.

One of the most important aspects of the booklet is the section on the application process. This section explains how to submit an application, what information is required, and what steps are involved in the approval process.

Overall, the booklet is a valuable resource for anyone interested in joining the S.A. office or learning more about its organization. It provides a comprehensive overview of the group structure and membership process, and serves as a valuable reference for current members.

Give Blood Thursday & Friday

By Jamie Ragusa

The first blood drive of the semester is scheduled for Thursday, March 17th, from 10:00 a.m. to 4:00 p.m. The drive will be held in the Student Center, Room 101.

This is an important opportunity to contribute to the community and support those in need of blood. Your donation can make a difference in someone’s life.

Statedoms Hurt Everyone

With the bad weather we’ve been experiencing, it’s no surprise that everyone is feeling the effects. The cold and wet conditions can make it difficult to keep up with our usual routines and responsibilities. It’s important to take care of ourselves and each other during these times.

Weather forecasts predict that the temperatures will remain low and the winds will continue to blow. Be sure to stay warm and dry, and take extra precautions to avoid any accidents or injuries.

Overall, it’s a challenging time, but with the right mindset and preparation, we can all get through it. Stay safe and take care of yourselves and each other.

Letters to the Editor

Good Morning!

We enjoyed your view from the campus and the things we read and published.

Read your paper and tears in the folder in which some people aren't expressing at this time to complete a particular program. You can do some people are enjoying most interesting reading.

Cordially yours,

Harry M. Perkins

Dear Editor:

I am writing to express my concern about the matter that has been brought to my attention. I believe the situation you are describing is not in the best interest of the students being handled in the most professional manner.

Sincerely,

Jane B. Turner

Another victory year for the Sigma Chi brothers. Win over PCL increases their game
by 40, well north of 50%. Good job boys!

WINNERS AND LOSERS

With the national election going on, Sigma Chi is poised to win again. With their game
against the Penn State team, they have more than a few points to show for their
season. Sigma Chi has been the dominating force in the Sigma Chi league this
year, and with their 5-0 record, they are sure to be the ones to watch in the future.

DELTA CHI

week's issue, so stay tuned.

DINING

Slowly the first day of each season begins to take
weather, but it's still warm enough to enjoy a meal out.
