Welcome to the *Twenty-Fifth Space Congress* on behalf of my committee and the members of our sponsoring organization, the Canaveral Council of Technical Societies.

This year's theme, *Heritage - Dedication - Vision*, befits our Silver Anniversary.

We hope you will gain by the many facets of this year's Congress. If we may be of help to you in any way during the symposium, please feel free to call upon me or any member of my committee.

W. E. Fields,
General Chairman
