## Experience...

In this world I've come to know,  
That in order to survive one must grow.  
From the time we are born, until we die,  
Hurts and pains will make us cry.  
In my life some lessons have been learned,  
But not before my getting burned.  
Some discover early, others too late,  
The early are loving, the others just hate.  
It has been said that as we get older,  
Greater burdens we can shoulder.  
But older now I have found,  
That burdens in my life still abound.  
Unless one learns how to be kind,  
They will walk this earth as though blind.  
So heed this now and learn from me,  
Harsh words and actions can't set you free.  
If from my experience you see no hope,  
Then perhaps you just may learn to cope.
