S.G.A. MINUTES OF MARCH 23, 1967

Because of the limited number of representatives present, no official business was carried out.

The constitution from the A&P Aero Club has been received.

The Flight and A&P Council has turned in its manual to the S.G.A. and it was read at the meeting.

Dean Mansfield stated that bad dress and grooming doesn't help the school image and job offers from prospective employers. Means of policing dress were discussed. Tom Graham and Roger McDade are to write a code and suggest possible action to be taken.

The problems concerning the Jetstream were discussed. Roger McDade suggested that it be combined with the Informer and be incorporated into one central news gathering media.

The problem of parking at the dorms was noted. A diagram of parking areas at the dorm will be incorporated in the present diagram. Policing action will be taken when diagrams are published. A person from the dorm will be found to work five hours a week for \$5.00 to give tickets.

It was suggested that at the next meeting, action be taken concerning the number of absences allowed at S.G.A. meetings for representatives.

A request was made that the parking lot be oiled because of the problem of dust.

The meeting was adjourned at 12:00 o'clock.

T.J. Graham
S.G.A. Secretary

DORM COUNCIL NEWS

At the recent Dorm Council meeting which took place at the Club 92 on Monday many problems were discussed concerning general grips. One of the most important to the students was about having girls in the rooms on weekends. Due to many infractions during the two weekend trial, the administration decided to suspend allowing girls for the rest of the trimester.

Another big problem discussed was garbage removal. Many automobiles have parked in front of the garbage units preventing removal of garbage. The school has had to pay \$5.00 to have the trucks return. It was decided that the \$5.00 will be charged to any one parking in front of the units.

Personal effects of students who want to leave between trimesters will be stored in room closet and other articles packed in a locker and placed in the closet.

The pools at both dorms are open to all ERAI students and their guests. Any violation of pool regulations by students or guests will result in demerits to the ERAI student.

An important area of discussion was hospitalization for students. Arrangements have been made by Mr. Richards for students entering Halifax Hospital to be treated and released without having to pay before leaving. The student must have his student identification with him. In case of any difficulty as to financial arrangements Mr. Richards is to be contacted.

There have been complaints by students that police show resentment if the students car has a ERAI sticker on his car. Mr. Richards made an agreement with the police that ERAI students arrested for crimes such as disorderly conduct will be released to return to the dormitory until further action is taken.

FROM THE DEAN'S OFFICE

We have received the following from the Daytona Beach Police Dept: Any student arrested for crimes such as disorderly conduct will be released to return to the dormitory until further action is taken. All students are advised that this arrangement with the local police is in their best interest. and will continue so long as they adhere to the practical principals of cooperation with the authorities.

Effective immediately, all Embry Riddle students arrested for traffic violations who have in their possession an official numbered student identification card will be issued a Traffic Citation rather than requiring them to post an immediate. All other students arrested for other charges(with the exception of a drunk charge where they will be retained for a five hour period) should be immediately reported to either Mr. Richards or Dean Mansfield and the arrested subject released to one or the other or both, of these men on recognizance of the college. The same procedure is to be followed for drunks after the five hour detention period. If any student is arrested for involvement in a riot or a fray of any sort, regardless of the hour of the day or night, Mr. Richards should be contacted immediately at his residence, telephone No. 253-4349

Signed A.O. Folsom Jr.
Chief of Police
March 24, 1967

Be sure and carry your I.D. cards with you at all times otherwise the police will take you to jail if you should be arrested.

Dean Mansfield

FACULTY SPOTLIGHT

All you Riddle men have undoubtedly seen a pretty young teacher scurrying back and forth from the engineering building to her office escorted stalwartly by her student husband, Mr. Harold Pate. The person who I speak of is of course Mrs. Carolyn Pate of our English department.

Born in New Ulm , Minnesota, Mrs. Pate came to Florida one year ago. Although she claims to have had a very unexciting childhood, I discovered that her father was a Navy officer and dean of a school. She has lived in eight states and has traveled through forty-five of the fifty. Graduating from the University of Texas in 1962, she taught high school for 4 years. She tells me that she never wanted to become an English teacher merely because that is what her father did. As just about all girls, she wanted to be a nurse.

Harold and Carolyn Pate were high school sweethearts, a fact which bears witness to their lasting union. Harold will be graduating in December and as you well might guess, Mrs. Pate will be leaving the "ivy covered halls of Embry Riddle.

To all you flying fanatics, Mrs. Pate has logged an entire 45 minutes in a Cherokee 140 and has completed ground school. She would like to someday earn her private certificate. She did mention that she'd enjoy sky-diving if she had the nerve for it.

Peeking into her future, Mrs. Pate looks forward to being a housewife and mother someday and afterward returning to teaching.

NEW DORM RATES

Page 3

We recieved this notice from Mr. Mondschein, Business manager for ERAI:

Effective MAY 1, 1967:

Building 15-- 2 man room	\$140.00/student/trimester
1 man room	\$150.00/student/trimester

Mt. Vernon- all accommodations \$180.00/student/trimester

Effective September 1, 1967:

Daytona Apartments- 4 student apt.	\$210.00/student/trimester.
3 student apt.	\$215.00/student/trimester.
2 student apt.	\$225.00/student/trimester.

The Daytona Apartment rate will remain at \$200.00/student/trimester for the summer trimester.

INVENTORY AND ROOM DAMAGE INSPECTION

Mr. Richards asked us to inform Dorm#1 students that there will be a complete inventory of all equipment issued to each room, in order to make things and proceed rapidly all students will be required to display equipment issued to them on the kitchen counter in an orderly manner. Any damages incurred will have to be taken care of before the student is permitted to take finals. The inspection of each section will take place this coming week on the day indicated.

Monday -A
Tuesday-B&C
Wednesday-D & E

Thursday F&G
Friday H

Also any student wanting to stay in the dorm over the semester break can do so for \$1.50 per day. See Mr. Richards.

ERAI NEWS

Wednesday the 5th of April, there will be a fraternity rush day at Embry Riddle. The school has two fraternities: Alpha Eta Rho (Aviation) and Sigma Phi Delta (Engineering) will be in room 109 all day to give information on their fraternities and also to accept names of persons desiring to pledge these fraternities during the coming summer and fall trimesters. All those interested are invited to stop in and ask questions.

SIGMA PHI DELTA

Have "YOU" thought ABOUT Pledging? If the thought has crossed your mind, but you would like to know more about the Sigma Phi Delta Fraternity first, we have just the solution for you. On Wednesday the 5th of April, Sigma Phi Delta is holding a Rush. This rush is going to be located downstairs in the Engineering building. Its purpose is to answer any questions you might have about being a future pledge and Brother of our organization. The times for this discussion are 9:00 to 12:00 and 1:00 to 3:00. Be sure to attend if you are interested.

Rush Chairman
Sigma Phi Delta

BOOK EXCHANGE

S.G.A. will sponsor a book redemption beginning next week. Any old books being used next trimester will be bought back at a reasonable price. Also anyone wanting to purchase used books at reduced rates will be able to. Further information as to the time and place will be posted.

DANCE

Page 4

The next dance will be at the Elks Club at 700 South Ridgewood at 8:00 P.M. April 8, 1967. Dress will be coat& tie. A ERAI band will provide the music. Ya'll come now.

Distinguished Vistor

Miss Dixie will be at the ERAI campus sometime soon! We'll have more information next time.

SPORTS

Tennis Tournament at Clearwater Florida Friday and Saturday , March 31-- April 1, 1967.

Basketball Tournament
April 6, 7, 8, 1967 Thursday, Friday and Saturday
Cypress St. Recreation Center, Daytona Beach, Fla.

Congradulations to the wrestling team . The ERAI team took 3 third places in the state collegiate tournament. That pretty good considering that they played such schools as Florida State University , University of Florida and the University of Miami.

Congradulations to the bowling team. They are still doing a good job in Miami. They have won several money prizes and are still in 3rd place in the ABC tournament.

BOOKSTORE SPECIAL

A new design in school decals have recently arrived, they are now on sale at the bookstore. Prices range from .25 to .45¢.

Millies now having a special on school charms \$1.25 each.

RESULTS OF THE BLOOD DRIVE

ERAI collected a total of 60 pints of blood for its blood bank last week. The A&P section did everyone proud and contributed 31 pints, the engineers 21 pints , the staff and faculty 6 pints and the flight section came up with 2 pints. We haven't found out how many people went to the Red Cross off campus and gave so the total may be somewhat higher. If you didn't give at the school don't forget to go to the Volusia County Red Cross station next to Ray Hunt Ford and donate your pint to the blood bank.

Notice: The final exam for HU202 will be on Tue April 18. 10:20 - 12:25

ADS

Clarinet : Anyone interested in buying a new Bb clarinet for half of it's value, come to Room D-6 in the New Dorm.

Wanted: More pencils sharpeners conveniently placed throughout the school campus. My teeth are getting dull!

LETTER TO THE EDITOR

SEE PAGE 5

During the last few weeks Embry-Riddle has been running an advertisement from a local radio station stating, among other things that " Embry-Riddle is the worlds largest private flight school". Could the INFORMER please check the validity of this statement and what facts the statement is based upon?

Editor: The editor has talked with Mr. Lauderbaugh and these are the facts to the claim " We are the largest private flight school in the World.

1. We have run advertisements in "Flying", and other nationally syndicated magazines claiming that we are the largest flight school in the world. This claim has never been challenged.
2. Embry-Riddle originated as a flight school. During World War II Embry Riddle established its name as a flight school. The school now has about 250 full time students in flight with 5 to 6 thousand hours a month. No other school can claim this. New schools have developed in the past few years and still they can not challenge Embry-Riddles claim

EMBRY-RIDDLE AERONAUTICAL INSTITUTE

FINAL EXAMINATION SCHEDULE

SPRING TRIMESTER 1967

NOTE: The final examination schedule for the Spring Trimester 1967 is indicated below. No changes or alterations in this schedule may be made without prior approval from the Academic office. Irreconcilable conflicts may be resolved at the discretion of the instructor.

Final grades for Seniors are due in the Academic Office by 4:00 p.m., April 13, 1967.

FRIDAY, APRIL 14, 1967

8:00 - 10:05 A.M.	HU-101 C (English Composition)	Pate
	MA-101 A (Algebra-Trigonometry)	Mullings
	MA-201 A & C (Calculus-Analy.)	Beck
	MA-205 (Differential Equations)	Wang
	MA-301 (Advanced Eng. Math I)	Hirmanpour
10:20 A.M. - 12:25 P.M.	HU-409 (Fine Arts II -- Music)	Stewart
	EC-220 (Introduction to Business)	Lopez
	MA-101 B (Algebra-Trigonometry)	Beck
	MA-309 (Computer Programming)	Cameron
	MA-101 KB & KA (Remedial Math)	Dunn & Hurst
1:10-3:15 P.M.	ES-203 (Fluids)	Hirmanpour
	ES-403 (Heat Transfer)	Traut
	MS-312 (Business Statistics)	Mullings
	SS-205 (Psychology)	Yackel
3:30-5:35 P.M.	ET-111 (A/C Engines - Turbine)	Bolton
	MS-211 (Business Law)	Lopez
	SS-404 (Philosophy)	Campbell
7:00-9:05 P.M.	MS-310 (Management Accounting)	Collins

MONDAY, APRIL 17, 1967

8:00-10:05 A.M.	PS-101 (Physical Science I)	Traut
	AE-404 (A/C Structures II)	Wang
	ES-301 (Strength of Materials)	Saunders
	ET-210 (A/C Systems & Components)	Cornwell
	HU-101 KA & KB (Remedial English)	Pate
	MS-413 (Management Psychology)	Bruce
10:20 A.M. - 12:25 P.M.	ES-305 (Thermodynamics)	Hirmanpour
	HU 102 B & C (Technical Report Writing)	Stewart
1:10-3:15 P.M.	ES-201 (Statics)	Hirmanpour
	ET-110 (A/C Engines - Reciprocating)	Cornwell
	HU-307 (Contemporary Literature)	Sawyer
	MA-201 B (Calculus & Analy.)	Hurst
	PS-105 (Chemistry I)	Austin
	SS-203 (Sociology)	Campbell
3:30-5:35 P.M.	AE-401 (Advanced Aerodynamics)	Wang
	ES-401 (Mechanical Vibrations)	Saunders
	HU-101 A (English Composition)	Sawyer
	MS-313 (Personnel Management)	Bruce
	PS-202 (Physics II)	Traut

TUESDAY, APRIL 18, 1967

8:00-10:05 A. M.	PS-106 (Chemistry II) AE-301 (Aerodynamics I) EC-202 (Economics II) ES-303 (Dynamics)	Austin Wang Lopez Saunders
10:20 A. M. - 12:25 P. M.	SS-201 (American History)	Campbell
1:10-3:15 P. M.	EC-101 (Economics I) MA-104 (Integral Calculus) SS-101 (World History) AE-406 (Jet & Rocket Propulsion)	Lopez Mullings Campbell Arthur
3:30-5:35 P. M.	ET-101 A & B (Engineering Graphics I) HU-408 (Fine Arts I -- Art) ES-307 (Metallurgy)	Danforth Shumaker Mullikin
7:00-9:05 P. M.	GA-307 (Flight Physiology)	Bullwinkel

WEDNESDAY, APRIL 19, 1967

8:00-10:05 A. M.	MA-100 (Introduction to College Math) PS-102 (Physical Science II)	Tisdell Traut
10:20- (A. M.) 12:25 P. M.	Aerodynamics II (AE-302) HU-301 (Business English) ET-102 A & B (Engineering Graphics II) ES-404 (Electrical Theory)	Wang Pate Danforth Goldkamp
