Just clowning around

"Ah, Look", Rick is bashful

Just some of the brothers and little sisters at the S.P.D. HOUSE on "Bar Night."

Architects planning the layout for the trailer.

One small step for mankind.

Lunch hour at WERU.

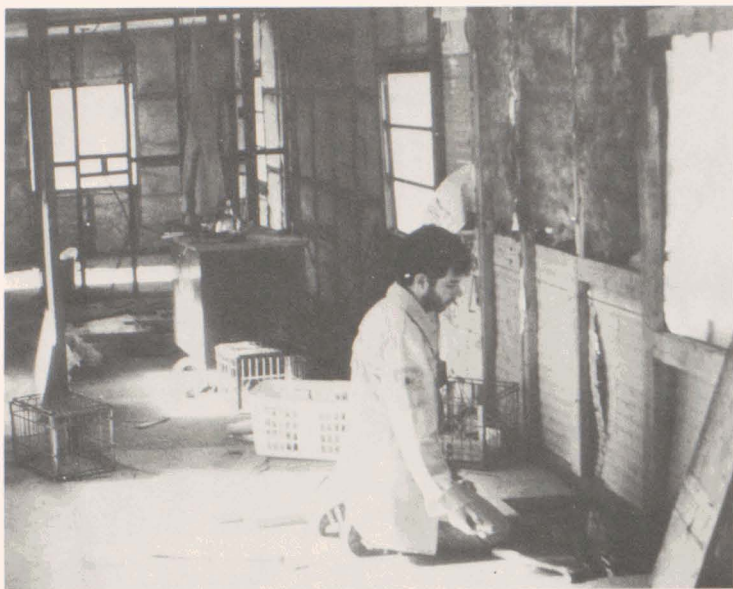

"I think it's moving!"

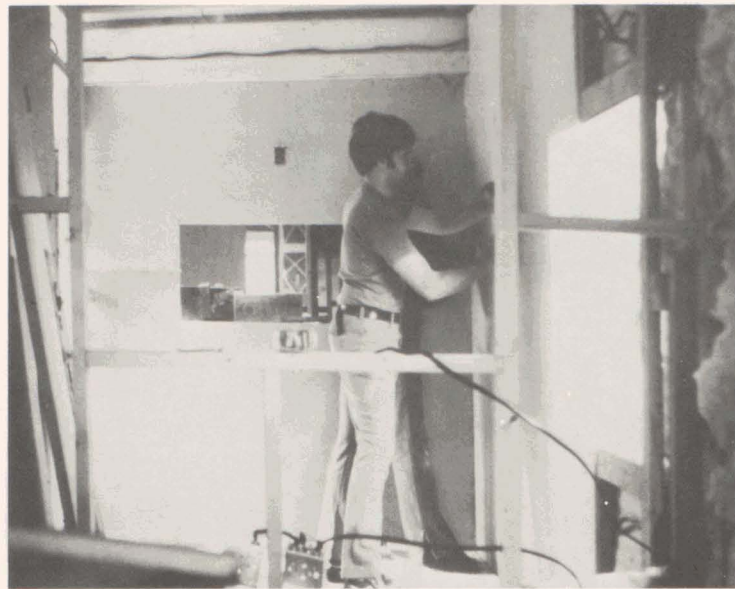

The whole staff shares the load.

"I dare you to spray him with the hose."

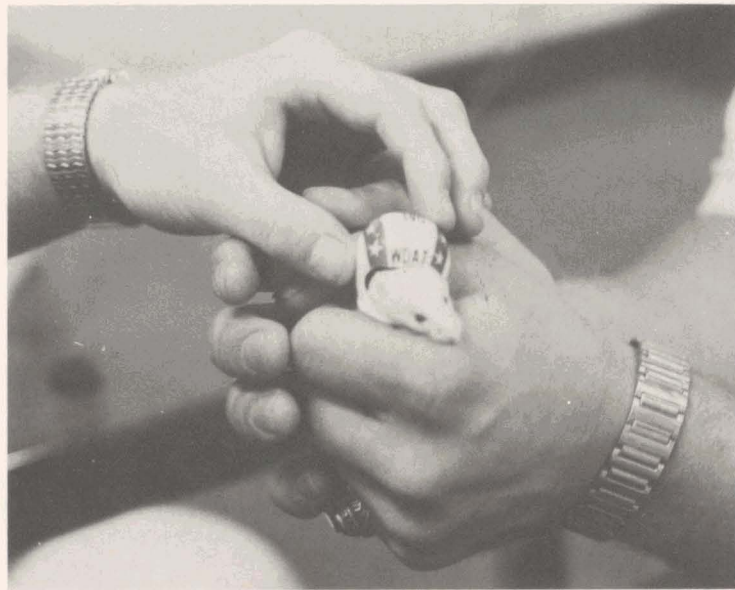

"I told you there was a hole there."

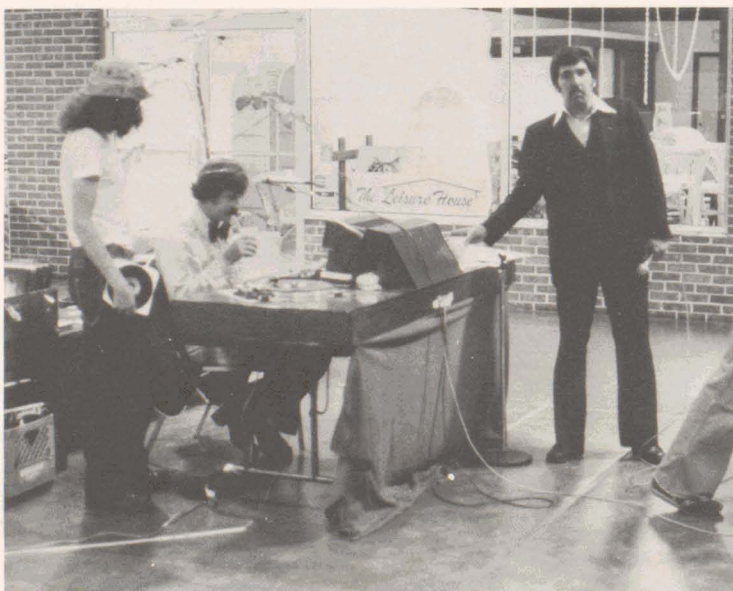

"Are you sure she's behind the wall?"

"I don't believe he said that."

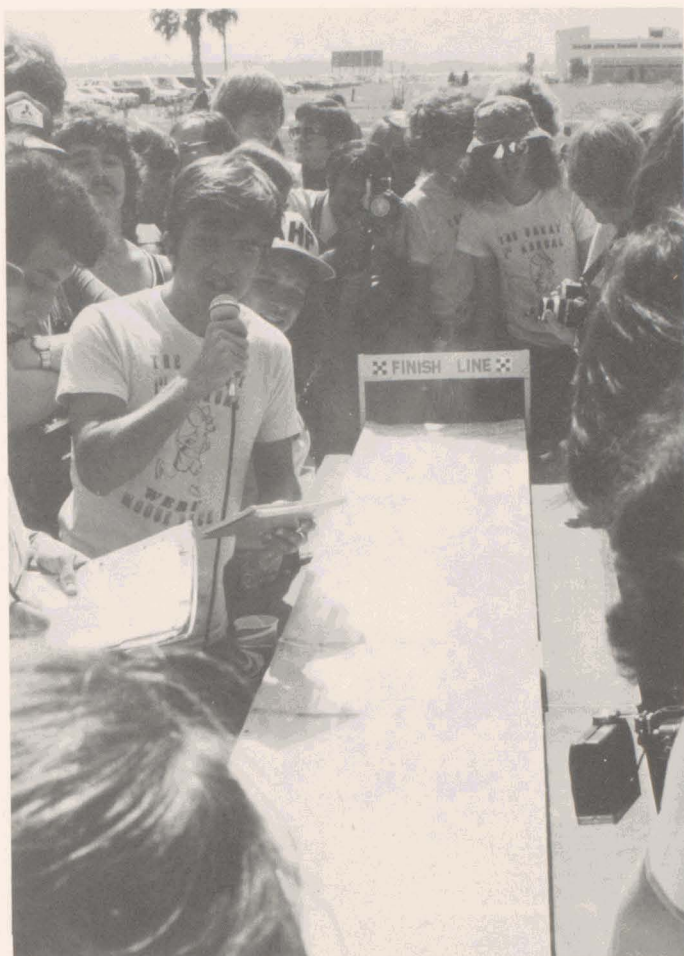

Safety Regulations?

"He turned off my mike."

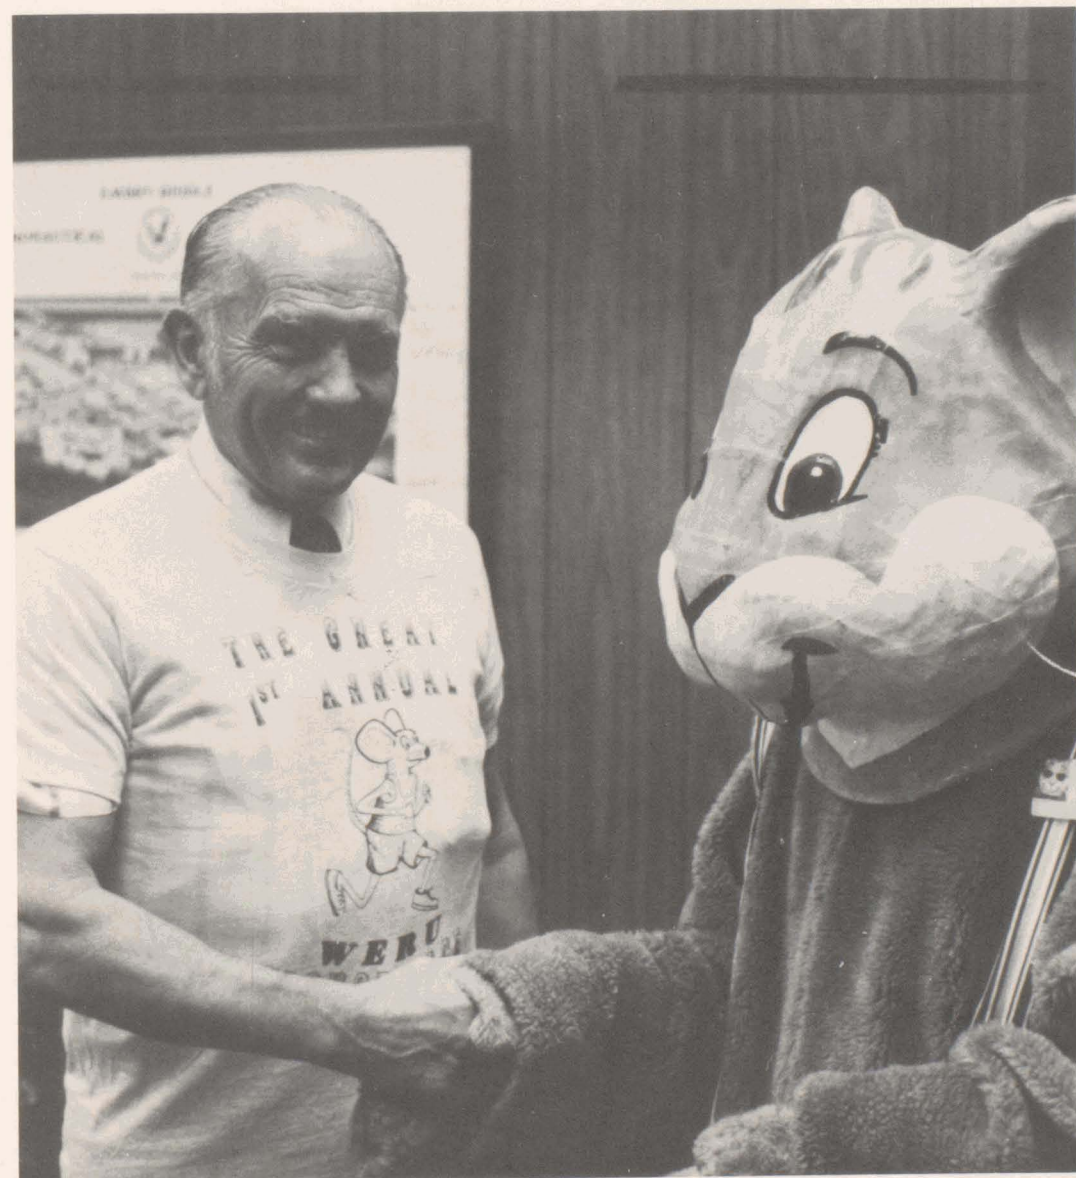

"Can you put your phone number on the back of this?"

"Place your bets, please"

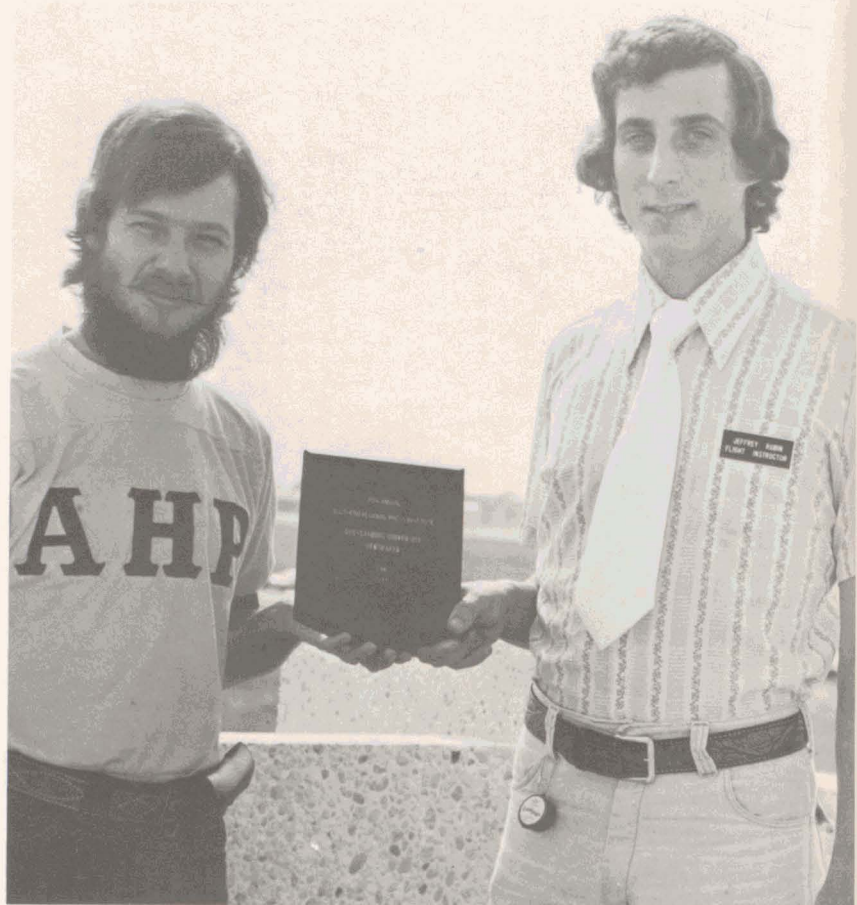

Guess who's coming to dinner?

The long awaited meeting of the minds.
