It starts early, with a dream

You work towards that dream

Here is where the work begins

But we can enjoy those last days before the work begins

The last moments

Hard workers make it here, but only the best make it out

This is only the beginning

A date with Tillie for tuition

The lines are endless

Neither rain, nor snow, nor gas crunch

A lighter moment between classes

Dining out

Relaxation after a full week of class

A well deserved drink

Everyone needs a break

Mail from home

Practice makes perfect

See and avoid

Keeping in touch

Extra studying never hurt

How's the weather at home?

A light touch is all it takes

What we're here for

Anyone can do it, it just takes time

Other activities make for a well rounded education

Employment possibilities

Help is there — just ask

Designing, flying or fixing it — you KNOW you can do it

The right stuff

Say good-bye to the nest, you're on your own

ENTERTAINMENT

HALLOWEEN

This year's Halloween dance brought out many exotic costumes. Participants dress as anything from the Goodrich Blimp, to the aborigines from Outer Bongo. The Goodrich Blimp took first in the group category. Other costumes included "High Roller Dice" and our famous "Killer Bees".

It's a "pig" nified position for a porker.

I've heard of a person blowing his stack, but this is ridiculous.

I really don't want to be here!

We're the other guys.

No costume's that funny . . . I guess you had to be there.

HALLOWEEN CONTINUED

I'm just glad Hefties are 2-ply.

Riddle security's new image.

A family of Human Candy Canes does not look appetizing.

HYPNOTISM

Tom DeLuca entertained a big crowd of students, January 26th, with his hypnotic abilities. Several students explored the world of hypnotism. During their time "under" Tom's influence some fascinating demonstrations were given in mind control.

Obla — dooba nooba cooba.

Don't hold the joint so high.

I told you, I can't be hypnoti . . . zzzzzzz!

RIDDLE REGATTA

To the sound of the starter's whistle, the 9th Annual Riddle Regatta, sponsored by the Vets Club, got underway from the banks of the Halifax River. Over 60 entries vied for first place finishes in the three categories offered (1-3 person, 4-8 person, and drinking establishments). The first place finish for 1-3 person went to Jim Montgomery, "The Shark", winner for the fifth year in a row, with a time of 42 minutes.

The team category was won by the Vets Club, their first-first place finish since the Regatta started, with a record time of 39 minutes. Among drinking establishments, Silver Bucket came in first, continuing their dominance from years past.

The Regatta was the culmination of many months of planning and organizing, in order to bring it all off that one day. In the end, the trophies were awarded, the rafts were deflated and the contestants departed . . . until next year.

The funds raised from the Vets Club Regatta were donated to the local I.C.A.R.E. program.

HAPPY HOUR

Happy Hour at E-RAU is mirrored in the smiles, and laughs and relaxed faces and bodies in the Pub area of the University Center indulging in games, talk, wine, or beer (one, both or all of these). Sometimes music pierces the air, other times, music mellows the mind. All times, the tensions of the day, of the week, of the tri, seem to desolve as students, staff, administration and family get together to dream of the weekend, of the test that went well, of the flight that is completed, of the lady back home . . . of the lady here! Happy Hour — much awaited point of time for E-RAU.

The guys that drank those beers are really warmed up for the weekend.

I always smile when a girl's staring at me.

ENTERTAINMENT COMES IN MANY DIFFERENT SHAPES, STYLES AND FORMS

Nina Kahle sings a love song.

It takes talent to think of lyrics like Allen Ross.

Jamhe DeFqates and Mhke Williams do a duo.

Such grace, charm, and dignity.

And these lovelies were the winners?

The DBCC band entertains during lunch

THE PUB AREA A GREAT PLACE TO HANG OUT

The Jamaican Posse takes over the pool table again.

Some people eat popcorn with beer . . .

Got a light?

E-RAU Beauty Pageant holds no beauty.

And the winner is . . . Miss Humanities.

White Dragon karate instills trust.

Karate exhibits mind over matter.

SUMMERFEST

Though rain dampened this event, the students at ERAU saw a fine group of performers as Summerfest swept the campus in a blaze of talent. Ms. Treat got things rolling with the Dixie Desperados. After moving Summerfest indoors, the students were entertained by Tava, two highly electric performances of the Winter Brothers (southern rock/rock blues), and Grinderswitch.

The night plused with sheer energy.

Ms. Treat treats the audience to a ballad.

Anyone who lost this flute, please

To sing the blues you have to be in-
to the right mood.

raise your hand.

I can swallow a whole mike! Can
you?

Tava clowns with the audience.

ERAU Provided with a Variety of Entertainment With A Variety Of Entertainment souvenir

The Darts really get into their music.

A rain tarp put in place, just in case.

What's a concert without a guitar solo?

A blur of rock music.

Hey Mr. Tambourine man play a song for me.

Poor Twinkie is dead, rest her soul.

Some people can't let things lie in peace.

A Riddle crowd anxiously await the lift-off of the shuttle.

COOL SUMMER FUN AT A WET AND WILD POOL PARTY

What's a pool party without a good chef?

So what if they are little burnt?

Greg . . . I can't believe you ate the whole thing!

The number one team of the day.

I got it . . .

Hear Albert . . . Catch

It takes two to tangle

SPRING FLING . . .

A DAY TO REMEMBER

Throngs attend the special event.

All for one and one for all.

AH!

Rock takes stand at Riddle

It was a standing, dancing crowd watching Gary U.S. Bonds.

Cat-Scratch fever.

Boogie on down.

Joe Cool

Spring Fling brings people together.

Gary U.S. Bonds still rocking after three decades.

SPORTS

FLAG FOOTBALL

Sunday November 15, 1981 the Brothers of the Wind defeated the Vets Club in the flag football finals. Both teams were undefeated all season and both were ready for the final game.

CONGRATULATIONS TO BROTHERS OF THE WIND

Another exciting game was played the same weekend. The ERAU's Student Government Association versus DBCC'S Student Government. Todd Bauerle of ODK scored with only 40 seconds left in the game. DBCC in a last effort drove the ball to the goal line but, Dave Frost, Avions Sports Editor blocked DBCC'S final pass on the last play of the game to give the win to ERAU with a score of 24-20.

SOFTBALL

Softball league adventures at E-RAU Daytona include a mass of 58 teams vying for the title of Softball Winner. BLUE MAX came in first this Spring, playing against a tough CASTRATORS team for a 14-13 win. This highly participatory sport brings out the best in E-RAU sports fans.

B I L L I A R D S

Sixteen people participated in the Embry-Riddle billiards tournament this year. The competition was held in the University Center. The competition was rough, in the end John Gannon triumphed over all.

In Fall and Spring Bowling, 20 teams competed for honors. In Fall tri, '81, Head Till They're Dead won the honors. In Spring, Snowblind bowled to win league champ.

FALL TENNIS

BASKETBALL

With 16 teams playing, Basketball 1982 resulted in The Rockers beating Brothers of the Wind 68-53. All games were played at the YMCA Derbyshire.

SPRING TENNIS

F L O O R H O C K E Y

Floor hockey began their season with 25 Intramural teams: In the end the Knicks dominated the Oddballs in a 2 to 1 victory. The Knicks played their best game ever. They seemed to rise to the occasion and met the Oddballs head on. The Knicks were down through the season and was a longshot in the finals. Paul Kaufmann and Bill Pytko and Kevin Kelly scored early in the game to bring the Knicks ahead 2 to 0.

Jay Sutorius of the Oddballs and Lou Mulina of the Knicks lead the Spring '82 season in scoring.

Association*

At Embry-Riddle the S.G.A. consists of two entities; 1) Student Administrative Council (S.A.C.) and Student Union Board (S.U.B.). The S.A.C. is headed by the S.G.A. President, who also serves as voting member on the E-RAU Board of Trustees. The Vice-President, Chief Justice of the Court, and 10 Representatives elected at large also serve in this branch responsible for all fund allocations and decisions made within the S.G.A.

PHOENIX

Purpose: The Phoenix shall record the events of the school year at E-RAU so that student body, faculty, and alumni will have a graphic record of university accomplishments. It shall present in pictorial and literary form, those moments that may be favorably reflected upon in future years. To this end, the Phoenix staff with the help of the entire student body, shall strive to present a professional publication, keeping in mind that these days, although only a temporary portion of our lives, are important building blocks for the remainder of our lives.

EDITOR IN CHIEF: BILL SCHROCK
NEWS EDITOR: R. K. SMITHLEY
COPY EDITOR: JULIEN OLEON
LAYOUT EDITOR: HOLLY VATH
PHOTO EDITOR: RICH FRANKEL
SPORTS EDITOR: DAVE FROST
ENTERTAINMENT EDITOR: TONY PINTO

BUSINESS MANAGER: MAX CORNEAU
ADVERTISING MANAGER: ROB DIXON
PUBLICATIONS COORDINATOR: JEAN SNYDER
AVION ADVISOR: DR. ROGER OSTERHOLM

Purpose: The Avion serves the academic community by stimulating growth in the responsibilities of citizenship, encouraging intelligent leadership, and reflecting student opinion. As a contemporary newspaper the Avion coordinates graphics, photographs, and illustrations with features, opinion, in-depth news and sports articles. They try to emphasize briefs and news features, rather than detailed overplay of routine news.

ENTERTAINMENT COMMITTEE

Purpose: Responsible for the concerts, lectures, movies, and activities provided for students at E-RAU. Student volunteers not only plan the events, but act as lighting and sound technicians, stage crew and coordinate all promotion for the events.

STUDENT UNION BOARD

Purpose: The Student Union Board is the second half of the S.G.A. It is composed of the Phoenix Editor, the Avion Editor, The Chairman of the Entertainment Committee, and is headed by the Vice President of the S.G.A. The main purpose of the S.U.B. is to coordinate all the divisions of the S.G.A. in the subjects of budgets, incentives, and any other type of problems that might come along.

STUDENT COURT

Purpose: The Judicial power shall extend to all cases arising under this Constitution, the By-Laws and legislation enacted by the Student Government Association; to all student cases arising from traffic violations; and to all cases which may be referred to the Court by the Dean of Students Office, including but not limited to matters involving the personal conduct of students, disputes between two or more students and cases concerning academic honesty. The Court also has the power to levy fines and recommend probation, suspension or dismissal as well as swearing in of new officers, SGA Representatives, and Justices.

THE MANAGEMENT CLUB

Purpose: To help further the education of its members through its unique program offered. This club is symbolic of professionalism instilled in the members through various educational activities.

Once a month the member invites a highly recognized representative of the aviation industry to the dinner/meeting to provide an insight into their industry. The club has been very successful in bridging the gap between industry and the university.

RIDDLE SKY DIVERS

Purpose: The promotion of greater interest in sport parachuting, the diffusion of knowledge concerning this sport, and providing an opportunity for students and others to gain experience and find recreation in sport parachuting.

BROTHERS OF THE WIND

Purpose: In existence for five years the purpose of the Brothers of the Wind is to promote minority students on the E-RAU campus. All are welcome to join. The organization aids each individual member in his/her class studies, enjoyment in the area of social activities, and tries to help bridge the gap between degree and job.

HELLENIC SOCIETY

Purpose: To confront problems, exchange information, and organize social activities for those interested in Greek life and culture.

CHESS CLUB

Purpose: The main purpose of the Chess Club is to teach those who are interested in learning how to play, and also to improve the standard of those who know how to play. The club participates in intercollegiate competition.

SAILING CLUB

Purpose: Social recreational club to further the interest of sailing.

SOCIETY OF COLLEGIATE JOURNALISTS

Purpose: To promote and encourage journalism on campus.

EMBRY-RIDDLE SCUBA CLUB

Purpose: The Scuba Club actively engages in openwater ocean and fresh water cavern diving. Certification (for safety) is a requirement obtainable through the clubs instructor. Planned club dives may include . . . camping, travel, seasonal lobster hunting, underwater cavern exploration and night diving.

PRECISION FLIGHT TEAM

Purpose: To represent E-RAU at the National Intercollegiate Flying Association (N.I.F.A.) air meets around the country. The meets are held at various colleges around the country. The events include ground, air, and safety competition. The Flight Team stresses professionalism, safety, judgement, and sportsmanship. Competition for Regional events are held during the Fall and Spring, however, the club is active during the summer also.

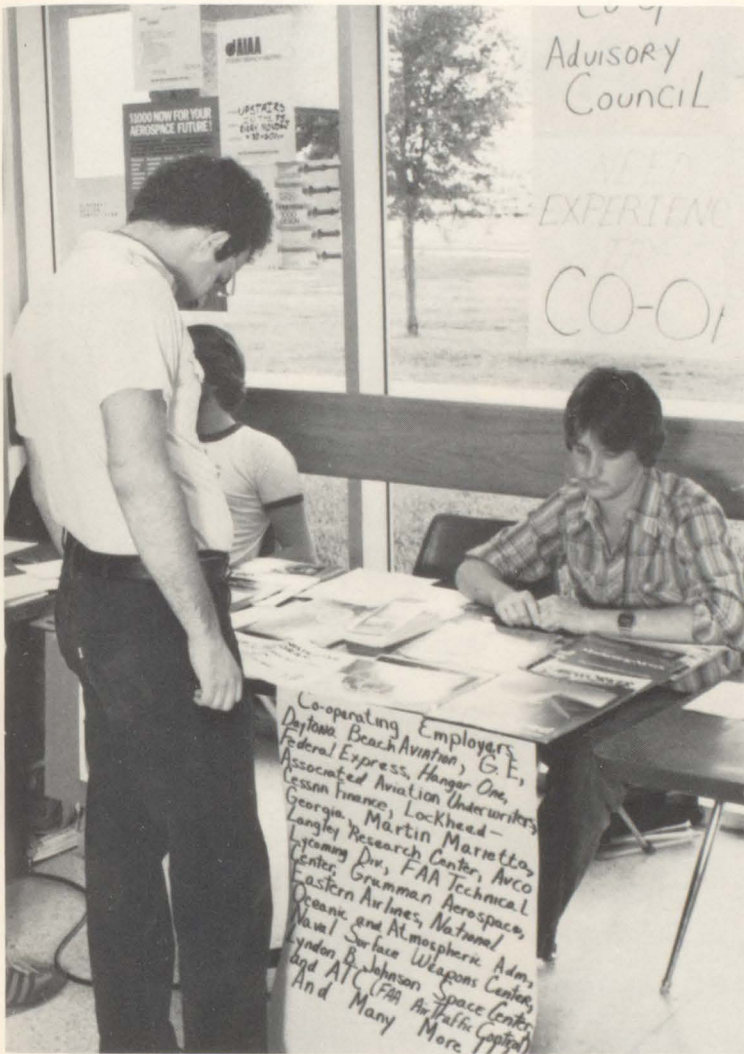

L-5 AEROSPACE SOCIETY

Purpose: The L-5 Society, a national organization, established the E-RAU chapter in the Fall of 1979, to promote the peaceful industrialization of space and evaluate the aerospace impact of the future. The E-RAU chapter is active in providing relevant presentation and interesting speakers to the Embry-Riddle student body.

CO-OP STUDENT ADVISORY COUNCIL

Purpose: For continuation of and recruitment for the Co-op Program. It provides a feedback loop for both graduates and students on assignment. The Cooperative Education concept is based on the theory that not all learning takes place in the classroom but is dependent upon and reinforced by practical work experience.

THE 99'S

Purpose: Founded by Amelia Earheart the 99's are an organization to promote and sustain the need and want of women in the aviation field. The E-RAU chapter is the first one to be chartered on a university campus.

YOSHUKAI KARATE CLUB

Purpose: The club is designed to promote mental and physical conditioning through karate.

MUSLIM STUDENT ASSOCIATION

Purpose: The Muslim Student Association was established to provide a chance for Islamic activities on campus. They are involved in daily meetings for prayer, discussions, and personal interactions for spiritual development.

RESIDENT ADVISORS

Purpose: To aide in the smooth operations of the residence hall community. RA's are helpers, friends, and resource persons for all the residents.

AMERICAN INSTITUTE OF AERONAUTICS AND ASTRONAUTICS

Purpose: AIAA is an organization of professional people in all aspects of the Aeronautical and Astronautical field which encourages interaction among professional managers, engineers, pilots, and technical maintenance people. Members associate with foremost professionals of the field, through conferences and lectures.

RIDDLE SKI CLUB

Purpose: The Riddle skiers, with over 100 members, is a club intended to join together those students with an avid interest in water skiing. Dues are collected and facilities are provided for weekend leisure skiing and competition with local clubs and schools.

INTER FRATERNITY COUNCIL

Purpose: E-RAU's Interfraternity Council (IFC) is established to promote better brotherhood between the fraternities, to show professionalism, as well as to intermix during social activities. It states that all Greeks should be brothers, and good communication should be maintained, although each fraternity has different structures, governing membership and initiation.

ALPHA ETA RHO

Purpose: Alpha Eta Rho is the only fraternity on campus that is totally aviation oriented. The purposes of the fraternity are: (1) To further the cause of aviation in all of its branches. (2) To instill in the public mind a confidence in aviation. (3) To promote contacts between the students of aviation and those engaged in the profession. (4) To promote a closer affiliation between the students of aviation for purposes of education and research.

SIGMA GAMMA TAU

Purpose: Established in 1980, its purpose is to recognize and honor those individuals in the field of Aeronautics who have, through scholarship integrity and outstanding achievement, been a credit to their profession. The society seeks to foster a high standard of ethics and professionalism and to create a spirit of loyalty and fellowship, particularly among students of Aerospace Engineering.

SIGMA CHI

Purpose: Sigma Chi offers the opportunity to develop leadership style through application, to gain personal responsibility, and to become involved and participate. Sigma Chi exists to create unity of purpose out of diversity of backgrounds, to teach lessons of group interaction, and to work in cooperative harmony with others.

DELTA CHI

Purpose: Delta Chi was founded as a national fraternity in 1890 at Cornell University. The E-RAU chapter was formed in 1970, making them one of the oldest social fraternities on campus. This Fraternity sponsors many events throughout the year.

OMICRON DELTA KAPPA

Purpose: Establishing the Icarus Circle at E-RAU in 1975, The National Leadership Honor Society recognizes and encourages achievement in scholarship, athletics, social, service, and religious activities; campus government, journalism, speech, and the mass media, creative and performing arts.

LAMBDA CHI ALPHA

Purpose: The Lambda Chi Alpha Fraternity is a national social fraternity established on the E-RAU campus in 1973. Lambda Chi Alpha is better known as "The Fraternity of Honest Friendship", and this is illustrated by its members homes in all parts of the U.S. and the world. The chapter takes part in activities for the betterment of the campus and the community. The chapter also sponsors many social activities and participates in most school activities.

SIGMA PHI DELTA

Purpose: Established at E-RAU in 1960 as Pi chapter, the function is both social and professional knowledge and social growth. Since they can only accept students in the Engineering curriculum, they are a small congenial group with common goals and interests. Sigma Phi Delta Engineering Fraternity was founded in 1926.

AIR FORCE R.O.T.C.

Purpose: To train cadets to become future officers in the U.S. Air Force. In AFROTC cadets are exposed to every facet of Air Force life, from taking orders (followship) to giving orders (leadership).

ARMY R.O.T.C.

Purpose: To provide the opportunity to acquire the skills and knowledge necessary for commissioning as a lieutenant in the U.S. Army, U.S. Army Reserve or National Guard. The program offers both a four year and two year option. The two year option allows students with at least two academic years remaining in either undergraduate or graduate studies to meet all requirements for commissioning.

RESERVE OFFICERS ASSOCIATION

Purpose: The Reserve Officers Association of the United States is a volunteer organization of military officers of all the uniformed services whether regular or reserve, active or retired or former officers honorably separated from the service — and all cadets enrolled in courses leading to an officer's commission. ROA supports a military policy for the U.S. that will provide adequate National Security and promotes the development and execution thereof. ROA is also a social and service fraternal order.

ANGEL FLIGHT

Purpose: To gain satisfaction and joy in helping others, to create greater social contracts, to develop qualities of leadership and to aid in the purpose of the Arnold Air Society, the University and the community. Angel Flight is a national women's honorary society.

ARNOLD AIR SOCIETY

Purpose: To aid in the development of effective Air Force officers. The Arnold Air Society is a nationwide professional honorary service organization. AAS enables AFROTC cadets to get better acquainted with other cadets and with the officers that run the AFROTC det. The Gill Rob Wilson Squadron is the AAS squadron located here. AAS also affords its members the opportunity of working on service projects.

PICTURES NOT TAKEN

VETERANS CLUB

Purpose: The E-RAU Veterans Association is comprised of Military veterans from all branches of the service. They also have seven positions open for students who are non vets but have a desire to belong. They are active in community service, and maintain a program of veterans assistance through contacts with the school and various external government and veteran organizations. They provide information on existing and pending veterans legislations. They aid the vet in locating housing or part-time employment opportunities and assist those who need classroom counseling or course scheduling.

PLATOON LEADERS CLASS

Purpose: This club was organized for Marine Officer candidates and it is used to assist them in the preparation for their future role as an officer in the United States Marine Corps.

THE NAVAL AVIATION CLUB

Purpose: The Naval Aviation Club was reestablished at the Embry-Riddle Campus in the Spring of 1980. Its purpose is to promote and sustain an interest and involvement in Naval Aviation in the University Community.

CHRISTIAN FELLOWSHIP CLUB

Purpose: The Christian Fellowship Club intends to promote Christian sharing and Bible study on Campus.

BAHA'I CLUB

Purpose: The Baha'i club was chartered at Embry-Riddle in the Spring of 1980 to introduce the Baha'i faith and the basic principles to all interested students.

INTERNATIONAL STUDENTS ASSOCIATION

Purpose: The purpose of the International Students Association is to provide a forum for the airing of special problems or difficulties among international students.

SCREAMING EAGLES

Purpose: The Screaming Eagles is a model airplane club designed to incorporate all levels of remote control (R.C.) skill. The advanced R.C. pilots always take time to instruct the inexperienced or the beginning R.C. pilot. The requirements include an AMA certificate and a person who is willing to get out and have a great time on the weekends.

E-RAU SWIM CLUB

Purpose: To promote the general interest of swimming on the campus. The club stresses physical fitness through the sport and fun of swimming.

COMPUTER SCIENCE CLUB

Purpose: This club was formed to help and to promote the students in the Computer Science curriculum.

GRADUATE STUDENTS ASSOCIATION

Purpose: To assist any student that has graduated from Embry-Riddle Aeronautical University. The association helps graduates find information and jobs.

SURF CLUB (NSSA)

Purpose: The purpose of the Surf Club is to provide a chance for competitive surfing against other area schools as sanctioned by the National Scholastic Surfing Association.

PHILOSOPHY AND PURPOSE

We at Embry-Riddle accept as our responsibilities:

The educational task of fully preparing students for professional careers in aviation.

The industrial task of maintaining close liaison with all elements of the aviation industry to help insure relevant academic programs.

The personal task of providing knowledgeable, well-rounded citizens and community leaders.

The University's purpose is summed in the following seven objectives:

1. To prepare students to make effective contributions to aviation and to be immediately productive.

2. To develop within each student the ability to evaluate objectively the economics, political and moral aspects of man and society.

3. To provide the facilities, faculty and staff for the professional and educational climate needed to inspire students to be inquisitive, professional and skillful in their chosen aviation fields.

4. To maintain the highest standards for professional aviation-oriented educational programs.

5. To conduct a continuous and meaningful reevaluation of educational courses and programs.

6. To instill in students a keen awareness of themselves and their society through instruction in the humanities and social sciences.

7. To support and promote research activities designed to increase understanding in all areas of aviation higher education.

Karen Doyle, Charlotte Skinner (Director) and Carole Kessler all work to help the International Students at Embry-Riddle at the International Students Office.

A welcome smile.

The Career Center personnel are working at the Daytona Campus to provide the student an opportunity to begin his/her career successfully.

AMT requires hard work and time for reflection.

Trudi Tiffany and Director Kathy Novaks stop for a moment with their student assistant at Commuter Services.

The ROTC staff is always busy.

Would you like another cup?

Father Kenan Morris, OFM and Dr. John Wheeler (front) supported by their student assistants make up a very active Campus Ministry staff.

Aircraft maintenance can never be taken lightly.

I'm so glad that class is over!

What, a picture of me?

There's got to be a time to relax.

Pinkie Caldwell, Ernest Augst, Connie Dawson, Lois White, Mary Weible, Mike Clark and Leroy Rogers help make up Epicure's personnel.

I can't believe this is happening.

Can't we just watch TV?

Laurie Bliss, Leslie Whitmer (Director), and Art Trow keep E-RAU active with a dynamic Recreation Department.

The Health Services and the Center for Human Development are represented by Maureen Bridger, Linda Bloom (CHD Director) and Alice Knight the special support that helps both offices.

I'm so glad we had this time, together!

Elsie Simins, secretary and Donna Cornell, Director help Fred (Center) keep things going in Student Activities. Dave Capps, not pictured, is Assistant Director of Student Activities.

Featured are Patti Cash, Salece Barlow and Rosalyn Nance, the busy women keeping things together at the University Student Store.

Hi there, I'm your friendly, neighborhood student — busy at school.

Conversation is a good break in a busy schedule.

One on one at the pub.

Instructional Design and Development staff included Steve Vandergriff, Joe Chi Jennifer Cone and this year's director, Rick Beeker.

Cashiers Office is always busy, but the photographer was lucky to get Kathy Harris, John Gray, Cathy Rondeau, Amanda Cox and Marge Carlton.

Deep talk breaks up lunch hour — strong point — good listener.

Together, wherever we go . . . go!

Students take a much needed break at the Apartment Complex I pool.

What are you doing with that camera?

Representing the Safety, Traffic and Security Department are (front to back, left-right): Jack Feighen, Dilek Karadagli, Norma Woods, Al Bush, Tony Spinnelli, Ed Kastner, Bob Walters, Ralph DeSantis, Carl Baars, Jack Ulrich, Gene Davis, D. J. Campbell, Jr. Six officers are missing.

HIGH FLIGHT

John Gillespie Magee

Oh, I have slipped the surly bonds of earth,
And danced the skies on laughter — silvered wings;
Sunward I've climbed and joined the tumbling mirth
Of sun-split clouds — and done a hundred things
You have not dreamed of — wheeled and soared
and swung
High in the sunlit silence. Hov'ring there,
I've chased the shouting wind along and flung
My eager craft through footless halls of air.
Up, up the long delirious, burning blue
I've topped the wind-swept heights with easy grace,
Where never lark, or even eagle, flew;
And, while with silent, lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand, and touched the face of God.

HILLARY 'CHUCK' TRUBINSKI

April 11, 1953 — January 24, 1982

If a man could be
Two places at one time
I'd be with you,
Tomorrow and today,
Beside you all the way.
If the world
Should stop revolving,
Spinning slowly
Down to die,
I'd spend the end with you
And when the world
Was through,
Then one by one
the stars would all go out,
Then you and I
Would simply fly away.

JOHN W. FAWCETT IV

For we are always what our situations hand us
It's either sadness or euphoria.
How thoughtlessly we dissipate our energy,
Perhaps we don't fulfill each other's fantasies,
And as we stand upon the ledges of our lives
With our respective similarities
It's either sadness or euphoria

ROBERT OLLIFF

MY TRUE LOVE HATH MY HEART

My true love hath my heart and I have his,
By just exchange one for another given:
I hold his dear, and mine he cannot miss,
My heart in me keeps him and me in one,
My heart in him his thoughts and sense guides.
He loves my heart for once it was his own,
I cherish his because in me it bides:
My true love hath my heart and I have his.

Spruce Creek Introduces Eagles Landing ...

Uniquely Designed "Fly-In" Villas In A Country Club Community.

Designed for the aviation enthusiast, the "Fly-In" Villas offer the kind of comfort and luxuries that complement the casual resort lifestyle. For the golfing enthusiast, the 2 and 3-bedroom fairway golf villas are priced from just \$69,900. Large taxiway, fairway and water overlook lots for custom building, too. Spruce Creek is life as you like it. A beautiful community with its 4,000-foot paved and lighted runway. With hangars, a complete operations office and mechanics available. Where your plane's at your doorstep, ready and waiting when you are. Spruce Creek offers unsurpassed sports and recreation. Like a championship 7,000-yard golf course, tennis and fishing and boating. All this in a lush country setting away from the crowds and traffic, yet conveniently located to shopping, fine restaurants, family activities and Daytona's famous beach. But come see for yourself. Fly in and join us for a day of golf. We think you'll stay.

 ☐ Yes! Send me a color brochure and a guest pass for a full day of fun at Spruce Creek.

Congratulations

You've spent four years here (more or less). The days were spent in class, but the nights and the long awaited weekends come and off you go to "do the town" and forget school.

Cruise the beach, hit the clubs, eat up oysters. Then, of course, you have the special events — the Daytona 500, Spring Break, Bike Week, the Dog Races.

For the graduates it's over, for the others it's still going on. Some love it here, some don't, but there's always some good memories anywhere you go.

Here is a small piece of Daytona captured for all to look on with, hopefully, fond memories.

THIS TOWN

PHOENIX YEAR — 1982

A proliferation of worldwide events have amassed since the last Phoenix went to press. Shown here are only a few of the many — some tragic, some amusing occurrences.

On a worldwide perspective we've seen — A hunger strike by IRA prisoners in Belfast, for different treatment from the other criminals, which failed . . . Sweden catches a Russian submarine in its territory due to "a navigational error" says the sub Captain . . . Moshe Dyan, Defense Minister of Israel dies . . . President Anwar Sadat of Egypt is assassinated by Moslem Fundamentalists . . . Solidarity attempted to pave the way for greater freedom in Communist-run Poland . . . To alleviate some of the bad news, Princess Diane is pregnant with a royal grandchild to be born about July 21 . . . U.S. F-14's shoot down two Libyan SU-22's after one unsuccessful attack pass by the SU-22's. Why give them another chance? . . . Falkland conflict escalates between Argentina and Great Britain, with casualties on both sides . . . Lastly on the International scene. The first baby panda, outside China survives in a Mexico City zoo.

The home front yielded a majority of pleasant happenings — The eight week baseball strike is settled . . . As of November 1 a first class letter cost 20¢ . . . Jean Harris found guilty in slaying of Herman Tarnower, the Scarsdale diet doctor . . . Walt Disney celebrates its decentennial and plans to unveil EPCOT in October . . . The prepie revolution rose and fell, along with their alligators . . . Billy Jean King (and husband) in a suit against Miss Mary Lynn Barnett, King's former lover and secretary . . . Actress Natalie Wood drowns . . . Richard O'Brien unveils the sequel to his Rocky Horror Picture Show, Shock Treatment opens to midnight audiences . . . President Reagan appoints the first woman as a U.S. Supreme Court judge, Sandra Day O'Connor . . . The Mediterranean Fruit Fly proves to be a pest to the west . . . Henry Fonda wins his first Oscar for his role in On Golden Pond . . . Columbia's flight of STS-2 and STS-3 are successful, if troublesome . . . Hyatt Hotel walkway collapses in Kansas City, leaving 111 dead . . . FBI uncovers dishonest, bribe-taking U.S. Senators and Representatives in ABSCAM . . . Pac-Man (and Ms. Pac-Man) fever spread through the country . . . Millions of soap opera addicts "attend" the much awaited wedding of Luke and Laura, but now will he ever find her to live happily ever after? Stay tuned . . . Tiny and quiet Sony Walkmans replace huge and heavy stereo monoliths as the "in" way to carry sound . . . Felines take over the bestseller booklist — Cat Haters Handbook, 101 Uses for a Dead Cat, Garfield, Cat's Revenge — More Than 101 Uses for Dead People, also how-to books make it big — How to Solve Rubik's Cube, How to win at Pac-Man . . . Six U.S.A.F. Thunderbirds fly no more after two tragic accidents . . . A Russian gives the U.S. the cube craze — Rubik's Cube, which gives rise to sons of cube — Pyraminx, Missing Link, Rubik's Snake . . . Female rock groups have their comeuppance. The all female Go-Go's win with two singles — Our Lips are Sealed and We Got the Beat. They shared the top of the charts with guitarist and lead singer Joan Jett, who heads the three males of her group — The Blackhearts. Their single I Love Rock and Roll (plus the album of the same name) have spent weeks at Number One . . . More on the music industry. Titled by some as "The World's Greatest Rock and Roll Band", The Rolling Stones strutted and rocked audiences on a twelve week U.S. tour. Breaking all previous records (and a few eardrums) by grossing over 50 million dollars . . .

Even closer to home is the following which occurred here at Embry-Riddle — Five FAA representatives praise the ERAU flight program as one of the best they've ever seen . . . The 1981 Phoenix yearbook and The Avion newspaper swept First Place honors, at the 31st Southern Regional Press Institute in Savannah, Georgia in the University category. This first place was a first for the Phoenix . . . ERAU Charters the first female pilot organization — The 99's.

Thanks to Bill Gallo for his permission to use his baseball cartoon.

Now we can rest. Now we can party. We have accomplished what we set out to do — produce what we hope, everyone will think, is a fine yearbook. It has been an experience I'm sure no Phoenix member will forget. It took work from each and every one of us. There were those who worked on the Phoenix and those who ate, drank and slept the Phoenix. Without the latter, those massively dedicated people, this project would never have been completed.

I feel some special thank-you's are necessary to a few people I could not have done without. A special Thank-you goes to Bob and Scott for their tireless efforts in getting the faculty pictures (and others) for the book. Thank-you to Michael and Randy for keeping the books, attending meetings, giving ideas and guidance. Michael, I'm glad you reenlisted. Thanks to Jim for putting up with all those "trivial" duties. Also to Craig, who set me straight when I needed it and others were too shy. I have learned. Most of all, the biggest THANK-YOU goes to Paul, who, almost single-handedly, got the color section out. Without his round-the-clock darkroom printing sessions we would have been "up the creek." Wear that jacket with pride, you deserved it.

This Phoenix represents a year at Embry-Riddle. It is for the students, by the students. We hope we have captured the events of 1982 for everyone to look back on in fond memory.

Aleta Vinas

The time has come for you to get the Diploma you have earned. Acceptance of that Diploma puts you on the threshold of an enviable tradition. You are accepting the "baton" and are poised to go forward and make your mark in aviation.

Thousands of students have preceded you at Embry-Riddle. Some have failed to earn the distinction of becoming a graduate. You have passed the required classroom courses; you have survived the "system" by making it work for you, and now you can face the real world.

You won't be getting A's or B's on the tests you will be taking now. If you haven't really learned how to make the system work for you, you might fail the "test." If so, the F won't show up on a transcript. The failure may be a temporary setback--but, if you're smart, you will learn from failures and you will learn to succeed.

Successive failures can lead to disaster; successive successes can lead to promotions, recognition and self esteem. As your successes increase, you will be advancing the "baton" for those graduates who will follow you.

Meanwhile, what about your University? Do you remember why you chose E-RAU? Did it live up to your expectations? How could it be better? Would you recommend it to a high school graduate? Would you want your children to consider Embry-Riddle?

Today, your University is an 86 acre campus with several buildings, too few parking lots, a series of good (and a few bad) memories--an experience you wouldn't trade for anything, and probably wouldn't want again--right now! Tomorrow, your University will be the same to other graduates, provided you do what thousands have done before you--succeed!

Embry-Riddle Aeronautical University cannot survive solely on what it has been. Embry-Riddle is a University that looks to the future. Your University's future depends upon you. You have accepted the baton; now accept the challenges. Do a better job than those around you. Retain your contact with E-RAU as an active Alumnus. Be proud of your heritage. Share it with others.

We will continue to look to the future. With your counsel, guidance and support, we will succeed.

Best wishes for your future. You have the background. With confidence and determination, you will continue to succeed.

Aeronautically,
