Daytona Beach master's degree candidates are required to submit an electronic copy of their thesis to be housed in [ERAU Scholarly Commons](#). In addition, an abstract of the thesis is uploaded into ProQuest's Dissertation and Theses ETD system.

Please use the online form (<https://hunt-answers.erau.edu/thesis>) to submit a PDF copy of your work and this submission form. PDF copies should include your completed signature page. You may submit this separately if you are unable to merge the files. Submission forms must be signed; electronic signatures are accepted. If you have any technical difficulties with the online form, you may email your documents to dbcollib@erau.edu.

There is no longer a requirement to submit a printed copy of your thesis. There is no cost to submit your thesis electronically.

ERAU's policy concerning ownership of thesis copyright is covered in APPM 12.0, *Innovation and Research*. (<https://myerauedu.sharepoint.com/teams/APPM/section-12/Pages/default.aspx>). If you wish to request a waiver of open access viewing of your thesis, please submit the request with reasoning for restricted access to your graduate program advisor for evaluation. The request will then be forwarded to the Associate Provost for approval.
