Immigration is people settling in another country.
Definitions

citizenship - the state of being vested with the rights, privileges, and duties of a citizen.

permanent resident - Permanent residency refers to a person's visa status: the person is allowed to reside indefinitely within a country of which he or she is not a citizen. A person with such status is known as a permanent resident.

naturalized - admit (a foreigner) to the citizenship of a country.

migrant worker - any people working outside of their home country

foreign worker - a person who works in a country other than the one of which he or she is a citizen.

refugee - person who has been forced to leave their country in order to escape war, persecution, or natural disaster

political asylum - a person persecuted by their own country may be protected by another sovereign authority

alien - a person who resides within the borders of a country and is not a national of that country
