TWENTY-FIFTH SPACE CONGRESS

COCOA BEACH, FLORIDA

APRIL 26, 27, 28, 29, 1988

PRELIMINARY PROGRAM
CHAIRMAN'S MESSAGE

The Space Congress' Twenty-Fifth Meeting will be a memorable one. This year's theme of Heritage - Dedication - Vision, befits our Silver Anniversary. The past - present - and the future will be examined in depth by professionals in our ever expanding space disciplines.

May I invite you to participate in all our activities for four fully planned days. From the opening remarks, the panels, papers, debates, banquets and lunches will focus on an industry that flourishes again. We must examine history to discover lessons learned. We must re dedicate all our existing energies to current and future requirements. Vision is required to examine the routes that will lead to the next meaningful discoveries. Join an extremely skilled group of space buffs in the exciting discovery of things to be.

We have increased the activity level for this celebration to include a “Meet the Press Panel” during a working lunch; upgraded international participation; expanded display areas; and added panels in a mini-format. Of course, the traditional stand-bys that you are familiar with have not changed. These activities vary with a challenge from Congressman Bill Nelson at the kick-off, to the Youth Science Fair, an evening banquet with Secretary of the United States Air Force, Edward C. 'Pete' Aldridge, Jr., a luncheon with a yet-to-be-named speaker and the Thursday 'Meet the Astronauts' panel session.

The TWENTY-FIFTH ANNIVERSARY will be a silver affair that you wouldn't dare miss. Come join and participate with us, in the stimulating atmosphere which represents the prelude for the next quarter of a century in the use of space for research, national defense and commercial purposes.

See you there!

W. E. Fields
General Chairman
Twenty-Fifth Space Congress

ATTRACTION CENTERS
Late April in Florida is a delightful time of the year for the entire family. The weather is pleasant, the hardy find the Atlantic warm enough for swimming and tourist attractions are not yet crowded, Cocoa Beach offers a long stretch of swimming beach, surfing areas, and both deep-sea and shore fishing. Sea Escape one day cruises and three and four day cruises aboard the SS Oceanic or the SS Royale can be enjoyed from Port Canaveral. Bus tours of the Kennedy Space Center and Cape Canaveral Air Force Station are available from the Spaceport, USA where a free exhibit-filled space museum can be enjoyed by both children and adults.

Within one to two hours drive is a world of vacation fun in the Magic Kingdom of Walt Disney World and Epcot Center – Sea World, one of America’s finest marine attractions – the mystery and excitement of Africa in Busch Gardens – famed Glass Bottom boats at Silver Springs – the beautiful gardens and daily water ski revue with lovely aquamaids at Cypress Gardens.

SPACE CONGRESS GOLF TOURNAMENT
Golfers can enjoy a tournament at the Patrick AFB Course on Friday, April 29th.

The tournament will be a four player, select shot format, as in the past. You may sign up with one partner or by yourself. The tournament committee will assign teams based on playing ability. Fill in your name and average score for 18 holes on the registration form, along with the same from your partner, and enclose $25, each person, for the fee. A maximum of 128 players will be registered on a first come, first in basis. Lunch, refreshments on the course, green fees, carts, and trophies are included in the fee. Lunch at 11:30 a.m., and shotgun start at 1:00 p.m. will allow completion in time for Pioneers’ Banquet attendance. Maps are available at registration desk.

Transfer of golf registration will be permitted with notification by April 14th. No refunds will be made after April 1st.
