This Front Matter/Back Matter is brought to you for free and open access by the Journals at Scholarly Commons. It has been accepted for inclusion in Journal of Digital Forensics, Security and Law by an authorized administrator of Scholarly Commons. For more information, please contact commons@erau.edu.
Subscription Information

The Journal of Digital Forensics, Security and Law (JDFSL) is a publication of the Association of Digital Forensics, Security and Law (ADFSL). The Journal is published on a non-profit basis. In the spirit of the JDFSL mission, individual subscriptions are discounted. However, we do encourage you to recommend the journal to your library for wider dissemination.

The journal is published in both print and electronic form under the following ISSN's:

ISSN: 1558-7215 (print)
ISSN: 1558-7223 (online)

Subscription rates for the journal are as follows:

- Institutional - Print & Online: $500 (4 issues)
- Individual - Print & Online: $80 (4 issues)
- Individual - Online only: $25 (4 issues)

Subscription requests may be made to the ADFSL.

The offices of the Association of Digital Forensics, Security and Law (ADFSL) are at the following address:

Association of Digital Forensics, Security and Law
Longwood University
201 High Street
Farmville, Virginia 23909

## Announcements and Upcoming Events

**Call for Papers for an IADIS International Workshop on Risk Management of Internet Computing 2006 (RMIC 2006) Murcia, Spain, 5 October 2006**

**4th Australian Digital Forensics Conference 2006 (ADFC2006)**
(Submit Full Papers by 1st October, 2006)
ADFC2006 will be held Monday, December 4th, 2006 at Edith Cowan University, Perth, Western Australia. The aim of ADFC 2006 is to bring together IT managers, system and network admins, security specialists, academics, security solutions vendors, practitioners and anyone interested in digital forensics its role and application. The focus theme this year is “Going Mobile” examining the emerging area of mobile device forensics.
ADFC2006 is concurrently running with 4th Australian Information Security Management and 7th Australian Information Warfare & Security Conference. For more detailed information regarding submissions requirements and conference details, please visit the website at [http://scissec.scis.ecu.edu.au/conferences2006/](http://scissec.scis.ecu.edu.au/conferences2006/) or contact Conference Chair - Craig Valli [c.valli@ecu.edu.au](mailto:c.valli@ecu.edu.au).

**ICIW 2007 - 2nd International Conference on i-Warfare and Security Naval Postgraduate School, Monterey, California USA 8-9 March 2007**
The program committee for the conference invites academics, practitioners and consultants involved in the study, management, development and implementation of systems and concepts related to information warfare and IS security to come together and exchange ideas. Alongside the main conference, there are mini tracks on malicious intelligence, human and social aspects of i-Warfare and can technology help. The call for papers and registration details can be found on the conference website.
A 10% discount on attendance is available to JDFSL readers (minimum charge of $350). Enter IWJDFSL10 in the discount code box on the online registration form.

ECEG 2007 includes a mini track on legal, agency, trust and governance issues in e-Government. Submissions are invited from academics, government departments and practitioners in the public and private sector. the call for papers and registration details can be found on the conference website.
A 10% discount on attendance is available to JDFSL readers (minimum charge of $350). Enter IWJDJFSL10 in the discount code box on the online registration form.
